## Galaxy Z Fold7

### Ultra unfolds

Meet the ultra-powered foldable that puts more screen space and AI-enhanced productivity in your pocket.

The Samsung Galaxy Z Fold7, just 4.2mm thick when unfolded, and only 215g, is designed for the way you want to work. Its 6.5" cover display makes it feel exactly like a standard smartphone in hand when folded. Unfold it, and you have an immersive 8" main display with an optimised screen ratio for an unbeatable viewing and typing experience

All of this comes in a package that's so thin you need to unfold it to believe it.

### Tick off that to-do list in an instant

Unfold new possibilities with the latest Galaxy AI<sup>1</sup> and Google Gemini<sup>2</sup> features, all optimised for the Galaxy Z Fold7's split-screen mode. Translating texts?<sup>3</sup> Finding answers? Creating on the go? Galaxy AI<sup>1</sup> has you sorted. You can now also share your screen or camera view with Gemini Live,<sup>2</sup> helping it understand the world around you. Gemini Deep Research<sup>2</sup> lets you really dive into a subject, quickly crafting fleshed-out reports. You can also turn long documents into audio files for easy listening and learning.<sup>2</sup>

1. Samsung account login and network connection are required for certain AI features. 2. Compatible with select languages only. Google account login and network connection required. Google and Gemini are trademarks of Google LLC. Samsung account login is required for certain AI features. 3. Certain languages may require language pack download. Service availability may vary by language. Accuracy of results is not guaranteed.

## A processor that won't fold under pressure

Feel like you've just unfolded unlimited potential in your work and play. The Galaxy Z Fold7 keeps up with the most demanding workflows, with up to 16GB of RAM and the new Qualcomm® Snapdragon® Elite 8 for Galaxy processor. With up to 41% higher performance compared to the previous Fold model, your Galaxy Z Fold7 will take you further, faster than ever before.

## Pro-level photography on an unbelievably thin camera

The Galaxy Z Fold7's camera with AI-assisted editing<sup>1</sup> gives you the power to capture your world of work in unprecedented quality. And with the ProVisual Engine on board, your photos and videos will appear more true-to-life, with accurate colours and crisper detail.

## Take charge of your workday as the day unfolds

Now you don't need to worry about keeping a charger close at hand. The Galaxy Z Fold7 features a 4,400mAh<sup>2</sup> battery, keeping you productive and focused without unnecessary interruptions. Optimised for AI applications, your device knows when to turn up the heat and when to cool off, keeping your battery fuller for longer. And if your battery does run low, you can charge back up over 50% in as little as 30 minutes with Super Fast Charging.<sup>3</sup>

## Lock down your data

Relax without letting your guard down. Your Galaxy Z Fold7 is protected from a growing range of threats by Knox Security<sup>4</sup> and on-device, hardware-backed attestation. You can also count on Samsung's partnerships with Microsoft, Cisco and others to deliver comprehensive zero-trust solutions and updates to keep your phone safe.

## Connect your worlds with one account

Keep your work-life balance on the level by keeping your personal email address off your work devices. Now you can unlock powerful Galaxy AI business tools with your business email address. User grouping makes it easy for IT teams to centrally manage accounts, setting policies and permissions remotely.

1. Samsung account login and network connection are required for certain AI features. 2. Typical value tested under third-party laboratory conditions. Rated minimum capacity of Galaxy Fold7 is 4,270mAh. 3. Fast charger sold separately. 4. Valid Samsung Knox Suite account required.

### Technical Specifications

#### Design:

- Unfolded:  
143.2 x 158.4 x 4.2 mm
- Folded:  
72.8 x 158.4 x 8.9 mm
- 215g

#### Main Display:

- 8" Dynamic AMOLED 2X
- QXGA+ (2184 x 1968)
- 1-120 Hz
- 2600 Nits

#### Cover Display:

- 6.5" Dynamic AMOLED 2X
- HD+ (2520 x 1080)
- 1-120 Hz
- 2600 Nits

#### Processor:

- Qualcomm Snapdragon 8 Elite for Galaxy (S Series' 1st 3 nm AP)

#### Audio:

- Stereo Speakers
- Dolby Atmos

#### Memory + Storage:

- Memory:  
12 GB/16GB
- Storage:  
256/512 GB, 1 TB

#### Battery + Charging:

- 4,400 mAh<sup>1</sup>
- Super Fast Charging 2.0<sup>2</sup>
- Fast Wireless Charging 2.0
- Wireless PowerShare

#### Google Gemini features

- Gemini
- Gemini Live
- Circle to Search with Google

#### Durability:

- Front: Corning® Gorilla® Glass Ceramic 2
- Back: Corning® Gorilla® Glass Victus®2
- Advanced Armour Aluminium
- IP48<sup>4</sup> (1.5m & 30min)

#### Camera:

##### - Rear Camera:

- Ultra Wide:** 12 MP FOV 36°, 1.12 µm  
AF F2.2 FOV
- Wide:** 200 MP F1.7  
FOV 85°, 0.6 µm
- Adaptive Pixel**
- Optical Quality 2x**
- Tele2:** 10 MP F2.4  
FOV 100°, 1.12µm
- Cover & main screen Camera:**  
10 MP F2.2  
FOV 100°, 1.12µm

#### Galaxy AI features:

- Now Brief<sup>5</sup>
