

## Signature Comfort Plus Combo MK880 (Black)

Feel the comfort all day with the Signature Comfort Plus MK880 bundle. Enjoy a keyboard with adjustable tilt legs and a curved palmrest and dual-foam support, keeping your hands relaxed even on busy days. The right-handed mouse is shaped for comfort, featuring a palm cushion and cozy side grips, plus quiet clicks and SmartWheel scrolling. Switch between up to three devices in a tap with Easy-Switch and Bluetooth—no dongle needed. Customizable shortcuts with Logi Options+ and dedicated AI launch key and video meeting keys make every workflow smarter. With long battery life and universal compatibility, MK880 fits every workspace and workday.

### Features:

- All-day typing comfort: With a curved dual-foam palmrest for silky-soft support and adjustable tilt legs, this Bluetooth keyboard supports a natural typing position for longer workdays
- Enhanced comfort for your palm: The right-handed mouse adapted for most hand sizes is sculpted with an innovative built-in palm cushion and comfy side grips, for everyday comfort and fit
- Simple connections: Wireless keyboard and mouse connect via Bluetooth pairing and switch between up to three devices with Easy-Switch; an ideal keyboard and mouse setup for all-day use and versatility
- Make it yours: Customizable buttons via Logi Options+ adapt to your tasks and help you do more; in the app you can boost productivity across apps, adjust DPI levels and personalize your workflow.
- Stay in control during meetings: Dedicated meeting control keys and instant AI launch key at your fingertips help manage calls and ideas efficiently, keeping focus high
- Scroll faster, stay focused: Scroll line by line or fly through pages with SmartWheel; quiet clicks reduce noise in shared or home offices for a calmer office setup
- Power that just keeps going: Long-lasting battery life delivers up to 36 months for the keyboard and 24 months for the mouse, reducing interruptions in your wireless keyboard and mouse setup
- Designed for sustainability: The plastic parts are made with a minimum of 49% post-consumer recycled plastic
