Protective Case for iPhone 17 Pro compatible with MagSafe made of soft-touch silicone black

Description

This magnetic iPhone protective case for the iPhone 17 Pro by Delock reliably protects the smartphone from scratches and damage.

Wireless charging and MagSafe compatibility

With its **integrated magnet**, this Delock protective case for iPhone 17 Pro **enables fast** and s**ecure wireless charging**, making it **fully compatible with all MagSafe accessories**. MagSafe-compatible accessories adhere securely, ensuring seamless usage while supporting wireless charging without the need to remove the case. This design provides a modern solution for efficient charging and effortless integration of accessories.

Premium materials and reliable protection

Crafted from **high-quality liquid silicone** and **durable polycarbonate (PC)**, this case offers a silky-soft texture with a comfortable grip. It's designed to **resist shocks**, **drops**, and **fingerprints**, **ensuring reliable protection**. Inside, a **soft microfiber** lining **keeps the back of the smartphone scratch-free.** With sturdy construction and precise cutouts, the case delivers maximum comfort and robust protection against everyday wear and tear, combining functionality with elegant design.

Please Note

Not compatible with iPhone Air / 17 / 17 Pro Max.
