

4XEM HDMI A Male To HDMI A Female Adapter Coupler 90°

4XEM Part- 4XHDMIMF90

No need for that costly surgery. Easily convert HDMI cables with differing gender connections using 4XEM's HDMI A Male to HDMI A Female 90 Adapter. Avoid bending your HDMI cables which can cause strain and potential signal loss. 4XEM's 90 Degree HDMI A Male to HDMI A Female Adapter (4XHDMIMF90) allows for an easy and efficient 90 degree rotation when installing your HDMI cables. Gold plated connectors ensure minimal loss of signal and offer full support for 1080p HD video.

Problem it solves: Minimize potential damage to your HDMI cables when encountering installations with funky twists and turns. Space limitations may also require an adapter to create a 90 degree rotation with your HDMI cable.

4XEM gear is respected industry wide for its high performance, premium quality and durability.

Applications:

- Adapter/ extender for HDMI devices
- At Home
- At the Office
- For PC
- Adapter

What is HDMI?

HDMI is capable of transmitting standard, enhanced, and high-definition video signals, as well as up to 8-channels of digital audio signals.

High Definition Multimedia Interface, HDMI is a connector and cable capable of transmitting high-quality and high-bandwidth streams of audio and video between devices. The HDMI technology is used with devices such as an HDTV, Projector, DVD player, or Blu-ray player.
