Protective Case for iPhone 16 made of soft-touch silicone black

Description

This iPhone protective case for the iPhone 16 by Delock reliably protects the smartphone from scratches and damage.

Premium materials and reliable protection

Crafted from **high-quality liquid silicone** and **durable polycarbonate (PC),** this case offers a silky-soft texture with a comfortable grip. It's designed to **resist shocks**, **drops**, and **fingerprints**, **ensuring reliable protection**. **Inside**, a **soft microfiber** lining **keeps the back of the smartphone scratch-free.** With sturdy construction and precise cutouts, the case delivers maximum comfort and robust protection against everyday wear and tear, combining functionality with elegant design.

Seamless wireless charging without compromise

The Delock case for iPhone 16 is designed to ensure that**wireless charging works flawlessly**, even with the case on. The premium silicone and polycarbonate construction does not interfere with charging speed or connectivity to wireless chargers.
