

4XEM USB-A 3.2 to HDMI Adapter – TAA

4XEM Part- 4XUSBAHDMITAA

Easily expand your workstation or entertainment setup with the 4XEM USB-A 3.2 to HDMI Adapter, a versatile solution for connecting your laptop or desktop to an HDMI display. With support for USB 3.2 Gen 1 and HDMI 1.1, this adapter delivers smooth, high-quality visuals at 1080p HD resolution (1920 x 1080) with a refresh rate of 60Hz. Whether you're giving presentations, streaming media, or enhancing your home office setup, the adapter offers reliable performance and vivid clarity.

The 4XEM USB-A to HDMI Adapter is fully TAA compliant, meeting the requirements for government and public sector use. It's compatible with both Windows and Mac operating systems, making it a flexible option for various users. Packaged in a lightweight, protective box, it's ready to use right out of the box—simply plug it in, and you're good to go. With a 1-year warranty and reliable support, you can trust this adapter to provide a long-lasting, high-performance solution for all your video output needs.

## Features:

- Supports 1080p HD resolution at 60Hz
- USB 3.2 Gen 1 compatible
- HDMI 1.1 compatible
- Built-in audio support
- Compact and lightweight design
- Bus-powered, no external power required
- TAA compliant, ideal for government and public sector use
- Compatible with both Windows and Mac systems
- 1-year warranty

## Applications:

- **Professional Presentations:** Easily connect your laptop to a projector or HDMI display for smooth, high-definition presentations, ensuring clear visuals and audio in conference rooms or meeting spaces.
- **Remote Work:** Boost productivity by adding an external display to your home office setup, making it easy to multitask, share screens, or host video calls.
- **Classroom Integration:** Ideal for teachers or educators who need to share content from their devices on larger screens, enhancing student engagement and interactive learning experiences.
- **Entertainment and Media Streaming:** Stream movies, shows, or videos in full HD on your TV or external monitor, making it great for home entertainment or content creators.
- **Government and Public Sector Use:** TAA compliance ensures the adapter meets federal procurement standards, making it suitable for government, military, or public sector environments.
