

BoostCharge Pro

Universal Easy Align Wireless Charging Pad 15W

Get safe and convenient wireless charging up to 15W. Our BoostCharge Pro Universal Easy Align Wireless Charging Pad 15W is a compact design with a charging surface that's twice as large as previous models – no need to worry about the placement of a device on the pad for optimal charging.

Product Benefits

- Easy alignment and larger pad surface for stronger charging signal
- Simplified charging – just lay your phone onto the pad and go
- Two thermal protection systems control temperatures and prevent overheating
- Allows for charging through most phone cases up to 5mm
- Foreign Object Detection (FOD) keeps pad and devices safe
- Non-slip grip material keeps phone in place in case of vibration while charging
- LED indicates charging status, so it's easy to know when your phone is aligned and charging
- Made with recycled plastic products*
- 100% plastic-free packaging
- 2-year warranty for added peace of mind
