

# HyperX USB-C Coiled Cable Light Green-White

## CONNECT WITH STYLE.

The durable HyperX Coiled Cable comes in a variety of colors so you can express yourself and fine-tune the details of your setup. Don't just connect your keyboard, get attached to it with 6 vibrant colors to match your style. The tough, dual-layer cable is not only super durable, but the coiled design can also help reduce desk clutter.

## Key features

---

### Add style to your setup

When it comes to customization, attention to detail can be the difference between dazzling and drab. Ditch the boring standard cables and give your setup a pop of color.

### Classic look with a solid connection

The HyperX Coiled Cable uses a USB-C to USB-A connection and features a quick detach 5-pin aviator connector.

### Coiled design reduces clutter

Instead of having to tie off your cables or painstakingly route them, a coiled cable can reduce some of your cable clutter with minimal effort.

### Designed for durability

This cable features a dual-sheathed design that delivers excellent durability and flexibility.
