

4XEM 10 pack of 1FT USB-C to Lightning Cable (White) – MFi Certified

4XEM Part- 4XUSBC8PIN30CMW10PK

Power up your devices with our 10 pack of 4XEM 1FT USB-C to Lightning Power Delivery Cables in White—an essential companion for fast charging and seamless data transfer. Designed to deliver efficient performance, these MFi-certified cables support up to 20W Power Delivery with a 3A output, allowing you to charge your iPhone or iPad quickly and reliably. Whether you're at home, in the office, or traveling, these compact and durable cables ensure you stay connected and powered up whenever you need it.

With an active, bidirectional design, the cables enable both power and data transfer, boasting speeds of up to 480Mbps (60MB/s). Perfect for syncing files, photos, and videos between your Apple devices and USB-C-equipped laptops, they offer a hassle-free user experience. The premium nickel-plated connectors provide excellent durability and resistance to corrosion, while the high-quality TPE jacket ensures flexibility and longevity.

Measuring just 1FT (11.8 inches) in length, these cables are perfect for reducing clutter while still providing enough reach for convenient charging. Whether you're using them with a USB-C power adapter, a laptop, or a power bank, their compact and lightweight design makes it easy to carry in a bag or pocket.

Features

- Supports 20W Power Delivery
- Unidirectional Design for Charging – USB-C to 8-pin Lightning
- 3A output for quick and efficient charging.
- High-Speed Data Transfer – up to 480Mbps (60MB/s).
- MFi Certified
- Nickel-plated connectors
- TPE jacket for long-lasting performance.
- 10 pack of 1FT (11.8-inch) cables
- Bidirectional Design for Data Transmission
- Ideal for charging via USB-C power adapters, laptops, and power banks.

Application

- **Seamless Data Syncing for Productivity:** With 480Mbps (60MB/s) data transfer speeds, these cables are not just for charging. Perfect for creative professionals, students, or business users who frequently transfer important documents and media between devices.
- **Compact & Tangle-Free Design:** The short 1FT (11.8-inch) length makes these cables ideal for organized, clutter-free setups.
- **Ideal for Charging Carts in Schools & Offices:** Designed with education and workplace environments in mind, this cable is perfect for charging carts used in K-12 schools, universities, and corporate offices.
- **Backed by 4XEM's 1-Year Warranty:** Enjoy peace of mind with 4XEM's 1-year warranty, ensuring reliable performance and quality.
