Outstanding office productivity
• Up to 30 ppm (letter) / 28 ppm (A4) laser printing, and as fast as 8.5 second first page out keeps up with your workload.

• A 400 MHz processor delivers complex pages fast.

• Two paper trays, plus an optional third tray, increases paper choice and capacity.

• Additional features such as water-marks, N-up, posters, and booklets give you eye-catching, customized results.

• Connect the way you want with USB and Parallel. For multiple users, 10/100BaseT Ethernet is standard on the Phaser 3428DN model.

Excellent value
• Affordable price lets you enhance your business potential without breaking your budget.

• Automatic two-sided printing saves time and paper.

• 1200 image quality resolution means crisp, professional printouts, while toner-saver mode will save money on less critical jobs.

• A compact design lets you put it where you need it.

Easy to use
• Installation is quick and easy – only four mouseclicks. And the status monitor will alert you if there are problems while printing.

• Remotely control, monitor, and diagnose your printer when con-nected to your network.

• Minimize supplies interaction with easy-to-install, high-yield toner cartridges.
