ABOUT

ZeNeo+ combines the power of a full-featured smartwatch with the sleek and comfortable design of an activity tracker, giving you the best of both worlds. Equipped with a built-in microphone and speaker, ZeNeo+ allows you to make calls and voice commands straight from your wrist. Once connected to your smartphone, ZeNeo+ displays all the information that matters to you on its color touchscreen. SMS, WhatsApp, social media notifications, calendar events and reminders, you pick which notifications you want to receive directly to your wrist. Featuring an optical HR sensor and a 3-axis accelerometer, ZeNeo+ tracks your daily activity so you can follow your performance level in real time. ZeNeo+, also gives you access to your body temperature with it's new on screen button. The lightweight design and colorful watch faces make ZeNeo+ an easy accessory to be worn on any occasion. Compatible with select iOS 9.0+ and Android 6.0+ devices, ZeNeo+ works with MyKronoz mobile app.

KEY FEATURES

BUILT-IN MICROPHONE & SPEAKER

Featuring a microphone and a powerful speaker, ZeNeo+ allows you to make or receive calls straight from your wrist but not only. Make voice commands once connected to your smartphone, using Siri or Google now.

BODY TEMPERATURE

ZeNeo+ measures your body temperature throughout the day and alerts you in case of high temperature. Your full temperature records are available on MyKronoz App.

HIGH RESOLUTION TOUCHSCREEN

Boasting a high-res color touchscreen, ZeNeo+ displays all relevant information such as activity level, smartphone notifications, calls, calendar events and reminders in the most efficient and visible way.

SIMPLE TOUCH BUTTON

Our latest design has been thoughtfully crafted to include an easy to use navigation button so you can easily switch your ZeNeo+ on/off and return to the menu.

WIRELESS SYNCING

Sync data wirelessly via Bluetooth®

SYSTEM REQUIREMENTS

Compatible with iPhone 4s and newer running iOS 9+, select Android 6.0+ and newer devices
