EXPRESS PC MEDIA REMOTE

Ultra compact and portable

Stores in your Express Card slot when not in use!

USB Receiver stores directly in the Card

Model#: MEAPE3 SRP: \$59.99

The Express PC Media Remote from Mobile Edge enables you to wirelessly play DVDs, CDs, Videos and Audio files from over 60 feet away. Its advanced RF technology lets you manage your multimedia without having to point the PC Media Remote at your computer! Enjoy movies, play videos and listen to music all from this versatile remote control!

When on the move, simply store the USB adaptor in the card, and store the card in your laptop's Express Card Slot. No need to hunt for it when you need it!

Features

- Wirelessly control iTunes for Windows, Windows Media Player, WinDVD, and DVD Player for Mac from over 60 feet away
- Change Volume, Play/Pause/Stop on your music/video
- Slim, compact and easy to carry
- No need to aim the Remote at the computer
- No software required, USB Plug and Play
- Works with Mac or PC!
