- Includes rings, ties and label for organized cable management
- Supports up to 2 Tripp Lite fiber adapter panels

Package Includes

- N492-WM2-BK Wall-Mount Fiber Optic Distribution Enclosure, 2-Panel Capacity
- Quick Start Guide

Description

The N492-WM2-BK Wall-Mount Fiber Optic Distribution Enclosure manages and protects your fiber terminations where space is at a premium. Two doors, each with its own lock, open to reveal plenty of room for splicing and patching your fiber cabling. It supports up to two fiber adapter panels, such as Tripp Lite's LC (N492-08D-LC), SC (N492-06D-SC) and ST (N492-08S-ST) panels. Cable manager rings, cable ties and a labeling sticker help you keep your cables neatly organized inside the fully sealed enclosure. Made from heavy-duty cold-rolled steel, the N492-WM2-BK mounts on any solid surface.
