Product Description

Professionals experience increased productivity using dual monitors, but often struggle to find simple ways to setup and adjust their screens. The SmartFit™ Ergo Freestanding Dual Monitor Stand offers the installation convenience of a monitor stand together with the adjustability of a monitor arm, eliminating the need for complex setups. With pan, tilt and swivel adjustments, users can easily customise their viewing angles for optimal comfort and productivity, ensuring a more ergonomic workspace.

Features

- SmartFit™ supports proper ergonomic eye-level viewing angles, as well as improved neck and shoulder alignment.
- Desktop base mount eliminates the need for drilling holes or clamping mounts to the desk.
- Curved horizontal rail simplifies monitor placement and provides a more comfortable & immersive viewing experience.
- Constructed with durable steel materials for long-lasting reliability.
- Accommodates up to 2 x 27" monitors weighing up to 10kg (22lbs) each.
- Quick-release handle allows for swift and convenient height adjustments.
- Anti-slip silicone pad provides a stable surface for phones or tablets.
- 5-year limited warranty.
