

Affordable widescreen LCD monitor for everyday computing

HP v185ws 18.5-inch Widescreen LCD Monitor

Get crisp, clear, high resolution views of your graphics and data projects with the HP v185ws 18.5-inch Widescreen LCD Monitor. This monitor offers everyday performance features in an elegant 18.5-inch diagonal (16:9 wide-aspect) screen.

Improve how you view your work

Enjoy a high 1000:1 contrast ratio, sharp resolutions to 1366 x 768, and fast 5 ms response time ¹. Use as a desktop monitor for your desktop PC or docked widescreen notebook PC. Find the most comfortable viewing position with adjustable tilt features. Maximize your productivity with a larger onscreen workspace that minimizes toggling between screens. Take the monitor off the desk and mount on a wall with the HP Quick Release (sold separately), which attaches easily to the four-hole VESA pattern on the back of the monitor.

User-friendly controls

The HP v185ws monitor features Plug and Play convenience for easy setup and maintenance. A wide range of icon-based on-screen controls allows you to quickly customize the display to match your preferences.

Assured compatibility

HP monitors offer guaranteed out-of-the-box compatibility with HP business products. Plus, when you buy the monitor with an HP PC, you get end-to-end product serviceability and support from HP with just one phone call.

Designed with the environment in mind

This monitor meets stringent worldwide environmental regulatory standards, including CE Mark and UL and is

in compliance with the Restrictions of Hazardous Substances (RoHS) Directive, 2002/95/EC.

Enjoy peace of mind

The HP v185ws monitor is just one more product that comes with the HP-standard peace of mind, which makes it easy for IT departments to purchase, install, and maintain. The one-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.
