FEATURES

- **Pure sound, pro performance:** These wireless headphones are designed to move with you throughout the day—from your morning commute to midday meetings to relaxing evenings at home
- **Communicate with confidence:** Advanced noise cancellation creates a “sound bubble” around you that helps you hear and be heard more clearly
- **Premium audio:** Your music, movies, and podcasts come to life with 40 mm speaker drivers engineered to deliver high-quality audio and strong bass with lower distortion
- **Listen in bliss:** Flexible headset strap distributes pressure across your head while the dual-layer earpads gently cushion your ears for hours of comfort
- **Long battery life:** Enjoy battery life that outlasts your playlist with up to 36 hours of play time (ANC on)(1); plug in the USB-C cable and keep listening while you charge
- **Effortless switching:** Connect and switch seamlessly between devices through multipoint Bluetooth, featuring a reliable wireless range up to 50 m (170 ft) away(2)
- **Made to last:** Enjoy your bluetooth headphones for longer with easily replaceable parts (3) like earpads and the headset strap; an optimized charging option (4) helps extend battery lifespan
- **Designed for sustainability:** The plastic parts of Zone Vibe Pro are made with a minimum of 29% post-consumer recycled plastic(5)
