

HP
PageWide XL

WHY TO UPGRADE

THINK BROADER. WORK SIMPLER.

IMPROVED USER EXPERIENCE

Easier and more intuitive user experience thanks to the **bigger front panel and enhanced copy/scan workflows**. Edit scanned files from the touchscreen before sending them to print and share them right away to an email address, personal or network folders.

MOST SECURE LF PRINTER¹

Integration of **new security features** protecting the device and the overall printing environment, ensuring that all data and documents are kept confidential.

MORE SUSTAINABLE

Designed for sustainable impact, using **low power consumption** and **inclusion of HP Eco-cartons** in the HP Planet Partner free recycling program.²

COMPLETE SOLUTIONS ECOSYSTEM

Print submission tools adapted to different printing environments and customer profiles, allowing for **easy configuration OF printing settings**, and monitoring of printing costs.

AS PRODUCTIVE AS EVER

Immediate **response to your customer demands**; meeting the tightest deadlines.

ENSURED E2E PRODUCTIVITY

Bigger cartridge capacity and intermediate tanks that allow for the hot-swapping of cartridges whilst printing, ensuring no leftover ink.

[1] Based on comparison of published security specifications commissioned by HP and performed by Sogeti in September, 2020. Comparison of the HP PageWide XL portfolio and competitors that represent the majority market share of LED and UV-gel printers worldwide as of 2019 according to IDC. Comparison matrix and further details available upon request.

[2] Visit <http://www.hp.com/recycle> to see how to participate and for HP Planet Partners program availability; program may not be available in your jurisdiction. Where this program is not available, and for other consumables not included in the program, consult your local waste authorities on appropriate disposal.

[3] Based on 1-liter cartridge, figures might be slightly different for 500-ml cartridge. CO₂e reduction based on moving from plastic ink cartridge to cardboard HP Eco-Carton ink cartridge, with annual manufacturing savings of 36 tons and transport savings of 1 ton. Equivalent to 147,755 km (91,811 miles) driven by an average passenger vehicle or 4,718,692 million smartphones charged.

[4] ENERGY STAR and the ENERGY STAR mark are registered trademarks owned by the U.S. Environmental Protection Agency. EPEAT Gold as of April, 2021. EPEAT® registered where applicable. EPEAT registration varies by country. See <http://www.epeat.net> for registration status by country.

[5] Inks are UL ECOLOGO® Certified and verified for Nordic Swan Ecolabeled printing companies. For certifications, see <http://www.ul.com/EL>.

[6] HP Click software is free software for HP 39x0, 4x00, for HP 5x00 need to purchase a license.
