

## KM270 EQ Rechargeable Desktop Set – Wireless

A more sustainable rechargeable desktop set.

K75560NA

### Product Description

Organizations often struggle to find reliable peripherals that contain more sustainable materials and enhance productivity without breaking the budget. Many are frustrated with keyboards and mice that lack durability, security, or compatibility across different operating systems. Ideal for large-scale deployments, the KM270 EQ Rechargeable Desktop Set addresses these concerns by providing a feature-rich, wireless solution that combines functionality with sustainability. With its sturdy design and helpful productivity enhancements, the KM270 ensures all-day productivity, featuring a full-size keyboard layout with a dedicated Copilot key\*, a spill-proof design, and a quiet-click mouse  
\*Windows only.

### Features

- Contains at least 50% post-consumer recycled (PCR) plastic.
