### Three-microphone steerable array

Keep the focus on your voice, not the background noise, with a multi-microphone steerable array for echo and noise reduction.

### Bass reflex system with dual passive radiators

Enjoy clearer calls and music that sounds remarkable using the bass reflex system with dual passive radiators for natural voice and deep bass.

### Full duplex audio

Speak freely, even simultaneously with others – conversations flow naturally with full duplex audio to help you capture every word.

Built with high-performance, large music speaker

Fill the room with a high-performance, large music speaker for great music and immersive multimedia.

Connects to personal devices and works with existing applications

Proceed with confidence – there's no new interface to learn, and you use your own device and collaboration applications.

Highly visible status light bars

Know what the call status is from a distance with highly visible light bars that tell you.
