

HP Pavilion Wayfarer Backpack

Stay charged. Stay connected.

Recharge your laptop without having to remove it from your backpack. Also includes a trolley strap that makes travelling less stressful, and an RFID pocket helps block your credit card information.

Power adapter pocket

A tech pocket holds your adapter in place, making it easy to recharge your laptop via the cord pass-through.

Breeze through security

Travel easily with a TSA-friendly laptop compartment. Just unzip and open the backpack without removing your laptop.

Protection on the move

Move freely with an RFID pocket that helps protect your credit card information from being stolen as you move through crowds.

HP Pavilion Wayfarer Backpack

Featuring

Water within easy reach

Comes equipped with exterior water bottle pockets for quick access and easy storage.

Easy access to your essentials

Small essentials are easy to grab thanks to a quick access pocket that holds your phone, keys, wallet, etc.

A trolley strap for added ease

For added convenience and comfort, you can easily attach this bag to the telescoping handle of your rolling luggage.

Ultimate comfort for ultimate travel

With padded, breathable shoulder straps and compression-molded air-flow channels on back panel, you'll be comfortable while you're on the move.

Water-resistant for more protection

This entire backpack's fabric is treated with water-resistant coating to protect your laptop and other gear from moisture.

Reflective for your protection

Use your backpack at night, safely, with reflective accents that make sure you can be seen in the dark.
