

Logitech Signature Slim MK955 Combo for Business | Copilot Edition

FEATURES

- Unlock Microsoft Copilot in Windows (1) with a dedicated Copilot key: Seamlessly add the everyday AI companion to employee workflows for elevated productivity with a single keystroke.
- Laptop-Style Typing, Designed for Windows: The slim keyboard comes in a Windows layout and delivers a familiar, laptop-style typing experience that employees desire.
- Enterprise Secure: Logi Bolt wireless technology addresses security concerns with Bluetooth Low Energy; equipped with Secure Connections Only Mode - Logi Bolt receiver included
- SmartWheel Technology: Designed for different work tasks, the mouse provides precise, line-by-line scrolling or super fast scrolling with a flick of its SmartWheel
- Switch Between Devices: Connect via Logi Bolt or Bluetooth and seamlessly switch between 3 of your devices with the Easy-Switch buttons for easy multitasking
- Time-saving shortcuts: Preset shortcut keys and buttons are available for better efficiency.
- Quiet Typing and Clicking: Quiet typing and clicking promote focus in a more productive environment. Silent Touch technology produces 90% less mouse click noise(2).
- Designed with Sustainability in Mind: The plastic parts of Signature Slim Combo MK955 for Business Copilot Edition are made with a minimum of 63% post-consumer recycled plastic (3)
