### Product Description

With its P-5 micro-cut capability, ability to shred 10 sheets at once, long run time, anti-jam technology, and 6-gallon/250-sheet bin, the OfficeAssist™ Shredder M150-HS Anti-Jam Micro Cut can help make any office more secure. Features include a full bin indicator, a touch panel, and a 120-minute continuous run time.

### Features

- Shreds up to 10 sheets at a time, including staples and paper clips. P-5 micro-cut shredding provides a higher level of security. Ideal for shredding sensitive and confidential documents.
- Quiet motor with anti-jam technology benefits the office with less noise and disruption. Motor automatically stops and reverses when too much paper is inserted, avoiding time-consuming and paper jams.
- A 120-minute continuous run time means this shredder can run long without overheating, for extended shredding.
- A 6-gallon/250-sheet bin helps you shred more and empty less. A bin full indicator makes it easy to know when it's time to empty.
- Touch panel buttons deliver simple, intuitive operation.
