Multimedia keyboard and mouse duo

# essentials

### The perfect way to pair comfort with productivity

Complement your PC or laptop with this sleek and fashionable keyboard and mouse duo. Equipped with eleven hot keys, the keyboard gives you access to movies, music, slides presentations, games, or browse the internet with a single touch of a button. Its ergonomic keycap design is soft to the touch, which also provides a more responsive and stable typing experience than the traditional keyboard switch. The companion mouse, armed with a high definition sensor, delivers flawless tracking on virtually any surface, while its ergonomic design allows you to use it comfortably in your right hand.

### Features

- Hot keys for instant web and e-mail access
- Contemporary style that enhances your workplace
- Rear tilt legs for setting the proper keyboard angle
- The mouse features an ergonomic design, with textured grip sides
