EXTEND THE FEATURES OF YOUR HP DEVICE WITH ACCESSORY SOLUTIONS

Adding accessory solutions to your HP printers and MFPs helps to improve performance, speed, and security

ACCESSIBILITY

HP is investing in accessible technology as part of our mission to create an inclusive environment focused on connecting people to the technology they use.

CONNECTIVITY

Our range of connectivity solutions can help you get the most from your current print devices. Easy-to-install mobile printer accessories enable employees to print wirelessly[1] from almost any mobile device[2] to HP printers or MFPs you already own. HP's print servers make short work of large print jobs, so you can easily meet high-volume print needs.

FAX

Quickly and easily send and receive faxes by adding embedded analog fax functionality to an HP device.

Eliminate the need for a stand-alone analog fax with seamless integration with your HP MFP.

MEMORY

Add HP Memory Modules (DIMMS) to your HP printer or MFP to process documents more efficiently and see improvements in overall performance when printing complex documents, images, and graphics.

SECURITY

Add security solutions to your imaging and printing environment to help protect sensitive data in transit or stored on the device.

Increase security with layers of authentication and by adding a simple user authentication method, like a smartcard.

ACCESSIBILITY

HP print accessibility accessories connect people to the power of technology.

DESCRIPTIONS

HP Accessibility Assistant	Uses artificial intelligence to reinvent the standards of voice commands and screen reader support (patent pending); Section 508 compliant and TAA compliant.
HP Accessibility Kit	This three-in-one solution includes customized Braille and tactile adhesives, an Access Handle, and the BigKeys LX Keyboard to facilitate better interaction between people with disabilities and HP MFPs and scanners; Section 508 compliant and TAA compliant.

COMPATIBILITY

Review the following table to match HP print accessibility accessories to your HP device.[3] Compatibility is subject to change; please visit hp.com for the most current information.

	HP Accessibility Assistant	HP Accessibility Kit
Part number	2MU47A	2TD64A
Dimensions (width x depth x height)	2.11 x 3.86 x 0.62 in (5.35 x 9.8 x 1.57 cm)	Package: 26.89 x 9.06 x 3.74 in (68.3 x 23 x 9.49 cm)
Weight	0.11 lb (0.05 kg)	Package: 4.59 lb (2.08 kg)
What's in the box	HP Accessibility Assistant main unit, Cables, Install guide, Regulatory label, Rubber foot, Velcro pad	Braille and tactile adhesive labels, HP Access Handle, the BigKeys LX Keyboard
Warranty	One-year replacement; Standard phone support 5 days a week	90-day HP or dealer exchange; Warranty and support options vary by product, country, and local legal requirements
Kit specifications	Not applicable	**Braille and tactile adhesive labels:** Braille key cap labels can be used on a Flow MFP keyboard or third-party keyboard. Tactile adhesive labels can be used as needed at various places on the device. **HP Access Handle:** The HP Access Handle can be used to help an individual gain access to the flatbed scanner and automatic document feeder lid. It is non-marring with an extra grip handle and a wrist strap for stability and storage. Dimensions (W x D x H): 24.13 x 3.58 x 0.98 in Weight: 0.445 lb **The BigKeys LX Keyboard:** Keyboard length: 7 x 19 in Size of keys: 1-inch squares USB connector: included Cable length: 70 in, not coiled
ENERGY STAR® certified	✓	✓
TAA compliant	✓	✓

CONNECTIVITY

Easily add new wireless or wired printing options to your HP printer or MFP. Our range of connectivity solutions can help you get the most from your current print devices.

DESCRIPTIONS

HP Internal USB Ports	Add internal USB ports to enable additional third-party solutions for your HP LaserJet printer or MFP.
HP Foreign Interface Harness	Easily interface your printer peripherals to your PC with this HP printer cable.
HP Jetdirect 2800w NFC/Wireless Direct Accessory	Easily update your HP LaserJet printer or MFP with wireless direct printing and touch-to-print technology—and allow the entire office to print securely from smartphones, tablets, and notebook computers.
HP Jetdirect 3000w NFC/Wireless Accessory	Easily set up and manage peer-to-peer printing with an accessory designed for select HP LaserJet and PageWide Enterprise printers and MFPs, while helping to protect enterprise data and systems.
HP Jetdirect 2900nw Print Server	Add mobile printing freedom, productivity, and security to your office in no time. Easily connect HP LaserJet and PageWide Enterprise printers and MFPs to your wireless or wired network—and keep management tasks to a minimum. Dual Band Wi-Fi® connectivity enables increased Wi-Fi performance and reliability in Enterprise and SMB environments.
HP Jetdirect 3100w BLE/NFC/Wireless Accessory	Enhance the mobile productivity of your business with seamless wireless printing. New Dual Band Wi-Fi connectivity enables increased Wi-Fi performance and reliability in Enterprise and SMB environments. Activate HP Roam[4] on your printer with this accessory to enable printing from virtually anywhere for your mobile workforce.

SECURITY

Security accessories safeguard sensitive
information and make your data more secure.

DESCRIPTIONS

HP Removable Hard Drive Enclosure (NA only)

Help secure your printing network at the device with the HP High-Performance Secure Hard Disk—easy to install, manage, and maintain. It includes an adapter for a physical security mechanism to further prevent theft of your hard disk and attempted access to your information assets.

Know that your data has an extra layer of security with the HP Removable Hard Drive Enclosure—a lockable, external carrier that a service technician installs, so you can have a compact, reliable tool that physically secures one or two hard drives.

HP High-Performance Secure EIO Hard Disk

HP High-Performance Secure EIO Hard Disks are easy to install, manage, and maintain. A straightforward design, automatic key provisioning, and other management tools help you secure your printing network at the device.

Help protect data at rest on your internal HP 500 GB hard disk with an internal or EIO cryptographic solution validated to the FIPS 140-2 standard. Hardware-based AES encryption provides added protection and assurance that information is safe.

Make sure your investment is protected. The HP High-Performance Secure EIO Hard Disk includes an adapter for a physical security mechanism to further prevent theft of your hard disk and attempted access to your information assets.

HP TAA Version Secure EIO Hard Disk Drive (US only)

HP TAA Version Secure EIO Hard Disk Drive is easy to install, manage, and maintain. A straightforward design, automatic key provisioning, and other management tools help you secure your printing network at the device.

Help protect data at rest on your internal HP 500 GB hard disk with an internal or EIO cryptographic solution validated to the FIPS 140-2 standard. Hardware-based AES encryption provides added protection and assurance that information is safe.

Make sure your investment is protected. HP TAA Version Secure EIO Hard Disk includes an adapter for a physical security mechanism to further prevent theft of your hard disk and attempted access to your information assets.

HP Smartcard US Govt NIPRNet Solution (US only)

This HP Smartcard US Government NIPRNet Solution for CAC and PIV tokens takes advantage of US Government smartcard technology. The solution is powered by enhanced HP printers and MFPs.

HP Trusted Platform Module Print Accessory

Add an extra level of security to safeguard sensitive information. The HP Trusted Platform Module (TPM) strengthens protection of encrypted credentials and data stored on your printer or MFP.

HP Smartcard US Govt SIPRNet Solution (US only)

This HP Smartcard US Government SIPRNet Solution for SIPRNet tokens takes advantage of US Government smartcard technology. The solution is powered by enhanced HP printers and MFPs.
