

4XEM 2-in-1 8-pin Lightning to RJ-45 Ethernet and USB-C Adapter – MFi Certified

4XEM Part- 4X2N18PINRJ45

Made for
iPhone | iPad | iPod

Enhance your connectivity with the 4XEM 2-in-1 8-Pin Lightning to RJ-45 Ethernet and USB-C Adapter. Designed for seamless compatibility, and MFi Certified, this active, bidirectional adapter allows you to connect your Lightning-enabled device to both wired Ethernet and USB-C accessories. With a data transfer rate of 480 Mbps for USB and support for 10/100Mbps Ethernet speeds, you'll experience reliable and efficient performance.

Crafted with durability in mind, the adapter features nickel-plated connectors, a sturdy ABS+PVC jacket, and a sleek white finish. Its compact 5.9-inch cable length ensures portability without sacrificing functionality. Whether you're looking to establish a stable wired network connection or expand your device's capabilities, this lightweight and versatile adapter is the perfect solution. Inside the box, you'll find the 4XEM 2-in-1 Lightning to RJ-45 and USB-C Adapter, ready to enhance your workflow wherever you go.

Features

- 2-in-1 Adapter – Connects Lightning devices to RJ-45 Ethernet and USB-C.
- Fast Data Transfer – 480 Mbps (USB) and 10/100Mbps (Ethernet) speeds.
- MFi Certified – For seamless Apple compatibility
- Bidirectional & Active – Reliable two-way connectivity.
- Compact & Lightweight – 5.9 in cable, 1.41 oz.
- Durable Build – Nickel-plated connectors, ABS+PVC jacket.
- Plug & Play – No extra drivers needed for easy use.

Application

- **Reliable Wired Internet Connection:** Perfect for professionals, students, and travelers who need a stable RJ-45 Ethernet connection for uninterrupted video calls, Online classes, or work tasks.
- **Expand Device Compatibility:** Enables Lightning devices to connect to USB-C accessories like hubs, flash drives, and external storage for improved workflow and file transfers.
- **Fast & Efficient Data Transfers:** Supports up to 480 Mbps (USB) and 10/100Mbps (Ethernet), ensuring quick data syncing and smooth streaming.
- **Ideal for Remote Work & Travel:** Compact and lightweight design makes it easy to carry, ensuring connectivity on the go.
