

4XEM USB-C to C 40 Gigabit 200CM/2M Cable White

4XEM Part- 4XUSB40G200CMW

Introducing the 4XEM USB-C to C 40 Gigabit Cable, the perfect companion for high-speed data transfer and power delivery! This cable is designed to connect your USB Type-C devices, including the new iPhone 15, and 15 Plus as well as the advanced iPhone 15 Pro and Pro Max with blazing-fast speeds and reliable performance. With a data transfer rate of USB4 (40 Gbps), you can experience lightning-fast file transfers, seamless multimedia streaming, and quick device syncing.

4XEM's USB-C to USB-C 40 Gbps Cable offers high speed connections for your tech networks. Capable of a maximum data transfer rate of 40 Gbps (gigabits per second) you will have no trouble viewing a 4K movie or complete data backups in minutes. In addition to high transfer rate our cable is also able to charge your devices. With access to 100W of power, this cable can serve as an additional power supply for your device. This cable is USB-IF certified so you can be assured of its quality and reliability of performance.
