

# Fact sheet

## HP Photosmart D7160 Photo Printer

### Overview

The HP Photosmart D7160 Photo Printer, based on HP's scalable printing technology, prints lab-quality photos and outstanding documents that last for generations<sup>(1)</sup>. Six individual high-capacity ink cartridges enable high-volume printing of 4x6-inch photos in as fast as 12 seconds. Ease-of-use and time-saving features include an automated 4x6-inch photo tray and automatic photo enhancements using HP Real Life technologies.

### Key Features and Benefits

- Six-ink color with HP Vivera Inks produces rich and realistic photos that resist fading for generations<sup>(1)</sup>
- Print lab-quality photos without a computer directly from PictBridge-enabled cameras using convenient USB port
- Walk-up and print using the 2.4-inch color image display – adjusts for optimal viewing from any angle and allows users to select, rotate, crop, zoom and remove red-eye directly from the display without using a computer
- PhotoFix button allows for one-touch cropping, zoom and red-eye removal, along with automatic photo corrections – all without a computer
- Efficiently designed individual ink cartridges allow users to replace only the ink colors used – ideal for high-volume printing
- HP Real Life technologies allow users to edit photos directly on the printer to remove red-eye and enhance photos with adaptive lighting for professional quality photos at home
- Automated 4x6-inch tray for dedicated photo printing
- HP Photosmart Premier software allows users to edit, organize, print, share, archive and create digital photo projects
- Effortlessly print landscapes or other panoramic images with HP panorama photo printing in any size up to 8.5 x 24-inch<sup>(2)</sup> with or without borders
- Easy photo printing with HP Auto Sense – ensures correct paper loading and optimal quality settings<sup>(3)</sup>
- Produce water and smudge resistant photos when printing with HP Advanced Photo Paper<sup>(4)</sup>

### Additional Features

- Optional HP Bluetooth® Wireless Printer Adapter enables wireless printing from camera phones, handheld PCs or other Bluetooth® enabled devices<sup>(5)</sup>
- Print on both sides of the page with optional two sided printing
