Product Description

Trust Kensington, the choice of IT professionals, to help protect the sensitive information on your MacBook 12-inch and reduce the chances of wandering eyes viewing confidential data on your screen. MP Series Laptop Privacy Screens limit the field of vision to +/- 30 degrees so a person off to the side only sees a dark screen. They are easy to attach or remove with the innovative magnetic strip. The reversible privacy screens also use a low reflective coating to reduce glare, and they filter out harmful blue light by up to 22%.

Features

- Integrates seamlessly with your MacBook's screen by attaching to the magnets which already built in to the MacBook's frame
- Limits viewing angle to +/- 30°, hiding personal or confidential information from anyone trying to look from the side
- Reduces harmful blue light by up to 22%
- Low reflective coating reduces glare and improves clarity
- Reversible with matte and glossy viewing options
