For busy workgroups... single users who need plenty of printing power... or any office on a tight budget.

- Up to 25 black-and-white letter-size pages per minute to keep your office operating at peak performance.
- Crisp, professional (1200 x 1200 dpi) image quality maximizes the impact of your documents.
- A powerful 266 MHz processor and 32 MB of memory (expandable to 160 MB) as well as 4 MB of flash memory.
- Enhanced plug-and-print connectivity and seamless integration with virtually all IT infrastructures.
- A duty cycle of up to 100,000 pages per month gives your office the power to hand the toughest printing demands.

The Phaser 3425's compact design fits just about anywhere. Its control panel provides quick access to all print functions. On-screen guidance makes it easy for even casual users to take advantage of powerful features.

Innovative features take your office productivity to the next level.

With the Phaser 3425's Xerox CentreWare software, you can remotely manage, configure and troubleshoot the printer from your computer.

The 3425 also features:

- Flexible connectivity: parallel, USB and 10/100Base-TX Ethernet standard.
- Network Interface Card.
- PostScript Level 3 (Phaser 3425 PS).
- Job Cancel to save resources and time.
- A Toner Save option.
- Simple-to-replace print cartridges options (5,000 prints from a Standard-Capacity Print Cartridge or 10,000 from a High-Capacity Print Cartridge* featuring Supply Life Indicator).

Superior performance at your fingertips.

Now your office can take on a wide range of jobs requiring a variety of media sizes and types, from transparencies and labels to card stocks. The Phaser 3425 delivers the first page of a document in just 12 seconds for fast turnaround and includes:

- a high-capacity 500-sheet input tray (17-28 lb bond (60-105 gsm) paper).
- a 100-sheet multi-purpose tray (handles up to 43 lb card stock (60-163 gsm)).

And an optional feeder adds 500 sheets of input capacity.

Phaser 3425 offers 2-sided printing to improve productivity and reduce waste. Other special features include custom page sizes, posters, watermarks, N-up, booklet printing, and manual duplex as well as mirrored and negative outputs (3425 PS)
