Product Description

The SA102 Privacy Screen for iPad 10.2" helps protect your privacy, simply and easily. A washable, reusable adhesive makes installation — and re-installation — a breeze, with no unsightly bubbles. Protects privacy by limiting viewing angle to +/- 30° in landscape and portrait mode for full four-way protection. Reduces harmful blue light by up to 22%, diminishes glare, improves clarity, and protects from scratches and damage.

Features

- A washable, reusable adhesive makes it easy to install, detach, and reattach, with no unsightly bubbles.
- Limited viewing angle narrows the field of vision to +/- 30 degrees in landscape and portrait mode for full four-way protection. Helps keep the information on your screen private from all sides, reducing the chances of a visual data breach in the office or in public.
- Blue light reduction filters out harmful rays by up to 22%, easing eye strain and reducing the chances of interrupting sleep patterns.
- Low reflective coating reduces glare for improved clarity.
- Helps keep iPad screen free from scratches and damage.
- Includes cleaning cloth and protective case to help prevent scratches when not in use
- Applies to matte side
