Product Description

The 0.7M (2.3ft) Thunderbolt 3 Cable – 40Gbps – 100W PD – Certified TB3 – USB-C Compatible gives you the flexibility to position your dock (or other Thunderbolt 3 enabled device) where it works best for you, without sacrificing performance or capability. Compatible with Windows, Mac, and Chrome operating systems. Backward compatible with USB-C 3.2 Gen 2. Works great with Kensington Thunderbolt 3 docking stations such as the SD5500T, SD5550T, SD5300T, SD5350T, SD5200T, and SD2400T.

Features

- Cable length gives you the flexibility to position your dock (or other Thunderbolt 3 enabled device) where it works best for you, without sacrificing performance or capability.
- Compatible with Windows, Mac, and Chrome operating systems. Backward compatible with USB-C 3.2 Gen 2.
- High-speed data transfer — up to 40Gbps for Thunderbolt 3 devices, and up to 20Gbps for USB-C 3.2 Gen 2 devices.
- Supports video up to single 5K @ 60Hz or dual 4K @ 60Hz for Thunderbolt 3 devices, and up to dual 1080p for USB-C devices.
- Charge your laptop and smartphone fast, with power delivery up to 100W and 18W (2A @ 9V) respectively. Check with your manufacturer for power requirements.
- With a two-year warranty, you can rest assured knowing you're covered by Kensington.
