Kensington®

SmartSockets® Standard Surge Protector

K62147NA

Product Description

Trust Kensington to provide quality surge protection for your valuable electronics like laptops, printers and modems. With color-coded rings and matching cord labels, the SmartSockets Standard Surge Protector makes cord management easy. Your outlet capacity expands with six adapter-style plugs available on the power strip, and 945 joules of surge dissipation protects your devices from damaging spikes. A green indicator light lets you know you're protected and there's also a $15,000 equipment warranty.

Features

- Safeguard computer and equipment with 945 joules of surge protection

- Room enough to easily accommodate up to six adapter-style plugs

- Color-coded rings with matching cord labels provides easy cord management

- EMI/RFI noise filtration, right-angle plug, and recessed on/off switch

- $15,000 equipment warranty against damage from surges

- 7-foot power cord puts surge protection where it´s needed

- Indicator monitors the surge protector to ensure full protection

- Reliability ensured with UL and CSA certifications and limited lifetime product warranty
