4XEM

Problem solved.

4XEM's Wireless Mouse and Keyboard Combo

4XEM Part- 4XWLSKMS1

4XEM has paired this wireless mouse and keyboard together to increase productivity and flexibility in your workspace. The full-size keyboard and mouse offer the standard level of comfort you are used to without feeling completely tethered to you station. Offering up to 20ft of range, for both the keyboard and mouse, moving around your workstation will not result in in loss of connectivity. A simple USB-A connection is all that is needed for set-up with your workstation to allow the wireless connection. Increase your productivity and flexibility with 4XEM wireless mouse and keyboard combo.
Problem it solves: Utilize 4XEM's lightweight mouse and keyboard up to 20ft away. Packaged in a convenient combo for easing pairing.
