

PC portable IA HP EliteBook 6 G2i 14 pouces

Configurable AI-ready PC for more efficient mobile teams

Optimized for AI³, efficiency, and seamless performance, the HP EliteBook 6 G2i 14 inch AI PC features enterprise-grade security⁴, manageability, and long battery life in a highly configurable device built for demanding enterprise environments.

Smart, secure, and scalable

Unlock innovation and productivity with a 14-inch AI PC that's highly secure and simple to manage.³

Enhanced conferencing and collaboration experience

Remove barriers to collaboration for global teams with this AI PC's studio tuned speakers with AI Noise Reduction⁵ and a 5MP camera.

Protection before the threat

HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense.⁴

Développement durable en action

Help protect our shared future

The HP EliteBook 6 G2i is designed using 50% recycled aluminum⁵ in the external covers and 50% post-consumer recycled plastic⁶ in the keycaps. It is ENERGY STAR[®] certified⁷ and EPEAT[®] Climate+ Gold registered.⁸

PC portable IA HP EliteBook 6 G2i 14 pouces

Avantages

Built for enterprise-grade manageability and durability

IT teams want a device that's durable and easy to deploy, manage, and secure. The HP EliteBook 6 G2i meets MIL-STD standards⁶, supports broad configurations, and integrates seamlessly into enterprise environments.

AI-enhanced efficiency

Boost performance and meet today's demanding workloads with the latest Intel® Core™ processor² and up to 18 TOPS NPU³, in a globally available and easy-to-service laptop.

Protection before the threat

HP Wolf Security for Business creates a hardware-enforced defense. It detects and self-heals BIOS attacks and helps fight ransomware and phishing attacks. It's a future-ready investment in protection against quantum computing attacks.⁵

Help protect our shared future

The HP EliteBook 6 G2i is designed using 50% recycled aluminum⁵ in the external covers and 50% post-consumer recycled plastic⁶ in the keycaps. It is ENERGY STAR® certified⁷ and EPEAT® Climate+ Gold registered.⁸

HP Recommends Windows 11 Pro for business with Microsoft Copilot

Work anywhere without compromising on performance with Windows 11¹ and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Microsoft Copilot.⁹

Intel® powers PCs enhanced by AI

Free up time to focus on what matters with the latest Intel® Core™ Ultra processor with an up to 18 TOPS NPU.^{2,3} Three compute engines manage workloads, help improve video conferencing and allow for advanced content creation.

Stay connected with HP Go

Discover HP Go¹¹, the easy to set up 5G cellular solution¹² for your PC. Enjoy seamless, out-of-the-box connectivity for effortless communication, collaboration, and creativity that utilizes the strongest stable connection available.

Enhanced conferencing and collaboration experience

Remove barriers to collaboration for global teams with this AI PC. Studio tuned speakers with AI Noise Reduction¹³ and a 5MP camera allow for clear and productive conversations.

Speed up the basics of IT management

Deploy the HP Manageability Integration Kit¹⁴ to help speed up image creation and the management of hardware, BIOS, and security when managing devices through Microsoft Configuration Manager.

Transform IT from cost center to business accelerator

The HP Workforce Experience Platform (WXP)¹⁵ empowers IT teams with AI-powered insights and workflow automation, reducing digital friction.

Browse confidently

Help protect your PC from websites and read-only Microsoft Office and PDF attachments with malware, ransomware, or viruses with hardware-enforced security from HP Sure Click.¹⁶

HP Sure Sense

Firmware attacks can completely devastate your PC. Stay protected with HP Sure Start¹⁸, the self-healing BIOS that automatically recovers itself from attacks or corruption.

Automatic recovery from firmware attacks

Firmware attacks can completely devastate your PC. Stay protected with HP Sure Start¹⁸, the self-healing BIOS that automatically recovers itself from attacks or corruption.

Find, lock, or erase a lost PC

HP Wolf Security Protect and Trace with Wolf Connect^{19,20} allows you to Find, Lock, or Erase a PC virtually anywhere in the world, even if it's turned off. This HP exclusive takes data security and asset management to an entirely new level.

Easy battery management

Manage and monitor your battery's performance and condition and customize charging options with the easy-to-use HP Power Manager dashboard.¹³

Enhanced predictive coverage

Limit interruptions with HP Premium+ Support, a smart service that alerts of potential device issues using predictive AI-powered insights, automation and proactive 24/7 support for our fastest diagnosis and repair—wherever work happens.^{21,22}

PC portable 1A HP EliteBook 6 G2i 14 pouces

Accessoires et services (non inclus)

Tapis de souris
désinfectable HP 105

Optimisez votre espace avec un tapis de bureau antidérapant, durable, lavable¹ et résistant aux éclaboussures. Allié parfait de votre souris préférée, ce tapis de souris au style sobre offre une glisse fluide et une précision optimale, assurant ainsi des conditions de mouvement parfaites.

Référence du produit: 8X595AA

¹ Certaines lingettes ménagères peuvent être utilisées en toute sécurité jusqu'à 1 000 lingettes. Consultez les instructions du fabricant des lingettes relatives à la désinfection et le guide de nettoyage HP pour les solutions de lingettes testées par HP dans le livre blanc sur le nettoyage de votre appareil HP (<https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW>)

² Le pourcentage de plastique recyclé s'appuie sur la définition établie par la norme EPEAT® IEEE 1680.1-2018.

Clavier sans fil
rechargeable multi-
appareil HP 725

Travaillez en toute confiance avec une technologie qui assure votre productivité, à tout moment et en tout lieu. Ce clavier sans fil multi-appareil soigneusement conçu suit votre rythme grâce à la technologie de supercondensateur à charge ultra-rapide, à une connectivité sans faille et à la personnalisation.

Référence du produit: 9T5B2AA

¹ La charge rapide est basée sur le port USB Type-C® -- 3.0 (5 V, 2,5 A). Le temps de charge réel peut varier en fonction du type de port et des conditions environnementales. La durée d'utilisation est une estimation et varie en fonction de nombreux facteurs, notamment le nombre d'heures d'utilisation active, au ralenti et en veille, le nombre d'applications en cours d'exécution, les conditions environnementales et les fonctionnalités utilisées ; la durée de vie réelle varie en fonction de l'utilisation et des conditions environnementales.

² Câble adaptateur USB-C vers USB-A inclus.

Écran gaming QHD 165
Hz OMEN 27 pouces -
OMEN 27qz

Vivez vos conceptions de jeu comme les joueurs. Cet écran QHD 165 Hz de 27 pouces offre des performances de jeu rapides et des visuels éclatants afin que vous puissiez voir ce que les joueurs voient sur des écrans similaires. Testez facilement sur PC et console grâce à une compatibilité testée et de nombreux ports pour la connectivité.

Référence du produit: AK2B3AA

¹ Contenu QHD (Quad High Definition) nécessaire pour afficher des images en QHD.

² Toutes les spécifications de performance correspondent aux spécifications standard indiquées par les fabricants de composants HP ; les performances réelles peuvent être supérieures ou inférieures.

Souris sans fil
rechargeable HP 705

Améliorez votre journée de travail avec la souris sans fil rechargeable HP. Conçue pour s'adapter à votre rythme, elle combine des raccourcis plus intelligents, une charge ultra-rapide¹ et une conception durable pour vous aider à garder le rythme et à travailler en toute confiance à tout moment et en tout lieu.

Référence du produit: AZ7B1AA

¹ La charge rapide est basée sur un port USB Type-C® -- 3.0 (5V, 2.0A), la durée de charge réelle peut varier en fonction du type de port et des conditions environnementales.

² Logiciel HP Accessory Center (HPAC) requis. Le logiciel HPAC est disponible en téléchargement gratuit sur le Microsoft Store ou l'Apple Store. Nécessite Windows 10 ou Windows 11.

Sacoche pour ordinateur
portable HP 14 pouces

Profitez d'une mobilité fluide au quotidien et d'une protection en toute tranquillité grâce à une sacoche fine qui s'adapte à la plupart des ordinateurs portables jusqu'à 14 pouces. Grâce à de multiples poches d'accès rapide et à des solutions de transport polyvalentes, vous assurez une organisation et une agilité optimales, où que vous soyez.

Référence du produit: CJ8D0AA

¹ Les tests HP Total Test Process ne garantissent pas les performances futures dans les mêmes conditions.

² La part de plastique recyclé est exprimée en pourcentage du poids total du plastique. Le recyclage post-consommation est basé sur les critères de la norme EPEAT® IEEE 1680.1-2018 pour les ordinateurs.

PC portable IA HP EliteBook 6 G2i 14 pouces

Notes de bas de page

Notes sur la description marketing

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

³ Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.

⁴ HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features.

⁵ Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams.

⁶ Recycled plastic content percentage is based on the definition set in the IEEE 16801:2018 EPEAT standard.

⁷ ENERGY STAR® certified products meet strict energy efficiency guidelines set by the U.S. Environmental Protection Agency. ENERGY STAR® and the ENERGY STAR® logo are registered trademarks of the U.S. Environmental Protection Agency.

⁸ Based on US EPEAT® registration according to IEEE 16801:2018 EPEAT®. EPEAT® status varies by country. Visit www.epeat.net for more information.

⁹ Microsoft Copilot requires Windows 11. Some features require an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key will lead to the Bing search engine. See <http://aka.ms/WindowsAIFeatures>.

¹⁰ ISV solutions are sold separately and may require a subscription and NPU.

¹¹ HP Go is available as a separate subscription in North America, requires 5G and must be configured at the time of purchase on select HP commercial laptops and workstations.

¹² HP 5G module is optional and must be configured at the factory. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100MHz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.

¹³ Requires HP app and Windows OS.

¹⁴ HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.

¹⁵ The Workforce Experience Platform (WXP) is available in various tiers and for multiple term license durations, and some features require optional add-on solutions. WXP is for commercial customers and some features and capabilities may require additional purchase of HP services and/or commercial hardware capable of supporting the HP Insights agent for Windows, Mac, & Android. WXP is ISO27001, ISO27701, ISO27017 and SOC2 Type2 certified for Information Security. Activation and restrictions may apply. Select HP solutions require an HP Insights agent for Windows, Mac, & Android, available for download at <https://workforceexperience.hp.com/software>. For full system requirements and services that require the agent, please visit <https://workforceexperience.hp.com/requirements>. The agent collects telemetry and analytics across devices and applications that integrate into the Workforce Experience Platform. Internet access required. HP Veolia license required for audio and video collaboration technology monitoring. HP Anyware license or compatible third-party virtual machine license required for virtual machine monitoring. Print capabilities are available to select beta customers in the US only. Print is planned to be available in a future release in various tiers as an add-on solution in various term licenses.

¹⁶ HP Sure Click requires Windows 10 and higher. See <https://bit.ly/2PrLT6A>, SureClick for complete details.

¹⁷ HP Sure Sense is available on select HP PCs with Windows 10 Pro, Windows 10 Enterprise, Windows 11 Pro, or Windows 11 Enterprise OS.

¹⁸ HP Sure Start Gen7 is available on select HP PCs and requires Windows 10 Pro and higher.

¹⁹ Service not available in all countries. Cellular service worldwide is limited to areas that Wolf Connect has service available. To learn more about solution service coverage, visit <https://www.hpwolf.com/en/legal/ptwc/countries>.

²⁰ HP Protect & Trace with Wolf Connect is available on select HP commercial laptops and mobile workstation devices and requires HP Workforce Central registration, available at <https://admin.hp.com>. Devices with a mobile narrowband card (MNB) do not support Internet access. Internet service for devices with 4G LTE and 5G modules is not included and must be purchased separately. Wolf Connect. Service not available in all countries.

²¹ Predictive Insights is only available with HP Premium+ Support. Select HP Workforce Solutions require an HP Insights agent for Windows, Mac, & Android, available for download at <https://admin.hp.com/software>. For full system requirements and services that require the agent, please visit <https://admin.hp.com/requirements>. The agent collects telemetry and analytics across devices and applications that integrate into the Workforce Experience platform and is not sold as a standalone service. Internet access with connection to the Workforce Experience platform is required. HP follows stringent GDPR privacy regulations, and the platform is ISO27001, ISO27701, ISO27017 and SOC2 Type2 certified for Information Security.

²² HP Essential Support, HP Premium Support and HP Premium+ Support are available at the time of device purchase. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit <http://www.hp.com/go/cpc>. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Notes sur les spécifications

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

³ Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.

⁴ Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.

⁵ Features and software that require a NPU may require software purchase, subscription or enablement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Potential NPU inferencing performance varies by use, configuration, and other factors.

⁶ Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.

⁷ For storage drives, GB = 1 billion bytes, TB = 1 trillion bytes. Actual formatted capacity is less. Up to 32 GB is reserved for system recovery software.

⁸ Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 6E is supported. Wi-Fi 6E is designed to support gigabit data rate when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 80MHz and higher channels.

⁹ Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 7 (802.11BE) functionality requires compatible Windows OS, select processor, and a Wi-Fi 7 router, sold separately. Wi-Fi 7 is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 7 is supported. The specification for 802.11BE is a draft specification and is not final. If the final specification differs from the draft specification, it may affect the ability of the device to communicate with other 802.11BE devices.

¹⁰ Miracast is a wireless technology you PC can use to project your screen to TVs, projectors, and streaming.

¹¹ 5G module is optional. WWAN-ready configuration must be selected at purchase to add WWAN at a later date. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100MHz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.

¹² LPWAN (also called Mobile Narrowband) supports HP Protect & Trace with Wolf Connect service through the subscription term, but does not support mobile broadband use.

¹³ LPWAN (also called Mobile Narrowband) supports HP Protect & Trace with Wolf Connect service through the subscription term, but does not support mobile broadband use.

¹⁴ USB 20Gbps signaling rate is not available with Thunderbolt™ 4. Actual throughput may vary.

¹⁵ Optional feature must be configured at the time of purchase.

¹⁶ Resolutions are dependent upon monitor capability, and resolution and color depth settings.

¹⁷ HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.

¹⁸ Actual brightness will be lower with touchscreen or Sure View.

¹⁹ All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

²⁰ For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.

²¹ Microsoft 365 sold separately and requires Internet access for activation.

²² HP IQ delivery app is preloaded on select HP PCs; it will be automatically updated to the future featured HP IQ application if you have auto updates enabled in Windows or will be available for download from the Microsoft Store. The future featured HP IQ app uses artificial intelligence. Features vary by configuration. For complete details see https://support.hp.com/us-en/document/ish_13696672-1369671716.

²³ HP Services Scan automatically collects the telemetry necessary upon initial boot of the product to deliver device-level configuration data and health insights and is available preinstalled on select products, thru HP Factory Configuration Services; or it can be downloaded. For more information about how to enable HP Smart Support or for download, please visit <http://www.hp.com/smart-support>.

²⁴ HP Support Assistant is available on Windows. For more information, please visit <http://www.support.hp.com/help/hp-support-assistant>.

²⁵ HP App requires Windows 10 or higher OS.

²⁶ Poly Studio Desktop requires a Windows OS.

²⁷ Requires Windows 11 and an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot in Windows is not available, the Copilot key will lead to the Bing search engine. See <http://aka.ms/WindowsAIFeatures>.

²⁸ HP Client Catalog not preinstalled, however available for download at <https://www.hp.com/us-en/solutions/client-management-solutions.html>.

²⁹ HP Client Management Script Library (<https://www.hp.com/us-en/solutions/client-management-solutions.html#tab=manageability-tools>).

³⁰ HP Cloud Recovery is available for Z by HP, HP Elite and Pro desktops and laptops PCs with Intel® or AMD processors and requires an open, network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail, please refer to: <https://support.hp.com/us-en/document/c0515630>.

³¹ HP Connect for Microsoft Endpoint Manager is available from the Azure Market Place for HP Pro, Elite, Z and Point-of-Sale PCs managed with Microsoft Endpoint Manager. Subscription to Microsoft Endpoint Manager required and sold separately. Network connection required.

³² HP Driver Packs not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.

³³ HP Image Assistant not preinstalled, however available for download at (<https://ftp.exthp.com/pub/caps-softpaq/cmit/HP/IA.html>).

³⁴ HP Manageability Integration Kit can be downloaded from <http://www.hp.com/go/clientmanagement>.

³⁵ HP Patch Assistant available on select HP PCs with the HP Manageability Kit that are managed through Microsoft System Center Configuration Manager. HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.

³⁶ HP Power Manager with Battery Health can be downloaded by entering your system information here: https://support.hp.com/in-en/document/ish_4449597351950716.

³⁷ Secured-Core PC Enable requires an Intel® vPro®, AMD Ryzen™ Pro processor or Qualcomm® processor with SD850 or higher and requires 8 GB or more system memory. Secured-core PC is enabled from the factory.

³⁸ HP Sure Admin requires HP GB or newer platforms, Windows 10 or higher, HP BIOS, HP Manageability Kit or KMS Service from <http://www.hp.com/go/clientmanagement> and HP Sure Admin Local Access Authenticator.
