Single-Gang European-Style Gang Frame for Insert Modules, White

MODEL NUMBER: **N042E-WF1**

Highlights

- Ideal for home theater, VoIP or Ethernet in-wall wiring installations
- Helps prevent accidental cable damage and hides unattractive wiring
- Compatible with Tripp Lite N042E-Series European modules and inserts
- High-impact plastic construction designed to blend in with your home/office décor

Package Includes

N042E-WF1 Single-Gang Europe-Style Gang Frame, White

European-style gang frame accepts compatible inserts for terminating premise audio/video, voice or data applications.

Features

European Gang Frame Connects Your In-Wall Audio/Video, Voice or Data Cable Line
This European-style outlet gang frame for mounting and trunking is ideal for terminating your premise wiring applications, including home theater, VoIP phones and Ethernet. The N042E-WF1 protects electrical and network cables to help prevent accidental damage to your application. It's compatible with Tripp Lite's N042E-Series European unloaded modules and blank insert (sold separately).

High-Impact Construction Designed to Blend In Seamlessly with Your Room
This white plastic cover plate measures 81 x 81 x 15 millimeters (outer frame) and 45 x 45 millimeters (inner frame). It helps hide unattractive cabling and blends elegantly into any home or office décor for a sleek, professional installation. The ABS plastic construction meets UL 94V-0 flame-retardant standards for protection against fire and high heat.
