

EcoTank® ET-3930

Wireless All-in-One Color Supertank Printer

Wireless | Print | Copy | Scan

Supertank All-in-One

Home Office

The Perfect Printer for Busy Families.

Incredible Value — Each replacement ink bottle set is equivalent to about 90 individual cartridges¹

Up to 3 Years of Ink Included in the Box² — Comes with enough ink to print up to 6,600 pages black/5,500 color³ for worry-free printing and fewer out-of-ink frustrations

Simple Ink Refilling — Supersized ink tanks and uniquely keyed EcoFit™ bottles make refilling ink simple—no mess, no stress and no ink bottle mix-ups

The #1 Best-Selling Supertank[†] Printer⁴ — Epson invented EcoTank to revolutionize the way people print; we've sold 100 million EcoTanks worldwide⁵ and this is our 7th generation of cartridge-free printers

Advanced, Productive Features — Fast 18 black/9 color ISO ppm[†] print speeds with zero warmup time, a high-capacity 250-sheet paper tray, auto duplex printing and a 2.4" color display for easy navigation

Stunning Print Quality — High 4800 x 1200 print resolution for exceptional photos and text; enjoy amazing image quality on a wide range of media

Wireless Mobile Printing⁶ — Print and scan from the convenience of your smart device with enhanced mobile printing from the Epson Smart Panel® app⁷; supports Apple® AirPrint®

Engineered for Reliability — Epson PrecisionCore® Heat-Free technology delivers a unique permanent printhead designed to last the life of the printer, plus professional-grade reliability with duty cycle twice as robust as its predecessor

Use Genuine Epson Ink — For optimal print quality and performance. Non-genuine ink could cause damage not covered by the printer's limited warranty

Epson strongly recommends the use of genuine ink to ensure optimal print quality and performance. Use of non-genuine ink could cause damage not covered under the printer's limited warranty.

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on factors including system configuration, software, and page complexity. For more information, visit epson.com/printspeed | †† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on factors including system configuration and page complexity. For more information, visit epson.com/copyspeed | 1 Individual cartridges estimate based on print yields of a replacement set of black and color ink bottles as compared to Epson standard-capacity ink cartridges for similarly featured printers as of October 2024. | 2 Based on average monthly document print volumes of about 150 pages. | 3 Part of the ink from the included bottles is used for initial setup; yields are lower than those of replacement ink bottles. Replacement and included ink bottle yields based on the ISO/IEC 24712 pattern with Epson's methodology. Actual ink yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors must be available for printing. For more information, visit epson.com/inkinfo | 4 Source: Circana, LLC, Retail Tracking Service, US & Canada Combined, Inkjet SF and MF Printers Combined, Refillable Tank Included, Total Unit Sales, 12 Months Ending July 2024. † Supertank printers are defined as refillable ink tank printers. | 5 Worldwide 2011 – 10/2024. | 6 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit epson.com/connect | 7 Requires Epson Smart Panel app download. Data usage fees may apply. | 8 Epson Connect account and voice-activated account registration required. See epson.com/voice for device compatibility. | 9 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 10 Internet access is required to install OS X drivers and software. | 11 Only printing and scanning are supported under Windows Server OS. | 12 Monthly duty cycle is the highest duty a user could expect in a month, based on near-constant operation of a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended monthly page volume. | 13 Internet access is required to install OS drivers and software. | 14 For convenient and reasonable recycling options, visit epson.com/recycle | 15 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
