### Super power

Go up to 30 hours on a single charge thanks to the 4000mAh battery. Never mind searching for power outlets.

### Express yourself

Say goodbye to boring. Choose a micro-textured back cover in Starry Black, Pearl White, Fine Gold, or Metallic Cherry.\* With its vivid 5" HD display, Moto C Plus is impressive any way you look at it.

\*Not all color options available in all countries.

### Hold everything

Carry two different numbers on your phone using dual SIM slots, so you can switch effortlessly from work to home. Or pop in a microSD card, and add more room for apps, photos, and music just like that.

### Expect the best

Run Android™ 7.0, an updated version of the world's most popular operating system. Now spending less doesn't have to mean settling for less.

### Speed up

Swipe and scroll through your favorite websites, quickly update your Facebook status, or watch streaming video. The Moto C Plus gets a boost from its quad-core processor and 4G speed.

### Smiles everywhere

Never miss a moment—even in the dark. Take selfies worth sharing using a 2 MP camera with its own selfie light. A separate 8 MP camera with an LED flash shoots great pictures in low light.
