

4XEM's 3-Port DP to HDMI Multi-Monitor Hub

4XEM Part- 4XMST04

Introducing 4XEM's 3-Port DisplayPort to HDMI Multi-Monitor Hub - the ultimate solution for your video, graphics, and display needs! This cutting-edge hub allows you to connect up to two Display Port monitors and one HDMI to your device, providing you with the freedom to multitask like never before.

Say goodbye to the hassle of constantly switching between applications and windows. With our multi-monitor hub, you can easily expand your desktop and have multiple applications running simultaneously. This means you can boost your connectivity and efficiency and get more done in less time.

This adapter is designed with your convenience in mind. It's compact, lightweight, and easy to use, making it perfect for home, office, or on-the-go use. It's also compatible with a wide range of devices, including both laptops, and desktops.

The 4XEM 3-Port DP to HDMI Multi-Monitor Hub is built to last. We use only the highest quality materials and advanced technology to ensure maximum durability and reliability. You can trust that your hub will provide you with the best performance and longevity.

Whether you're a gamer, graphic designer, or simply someone who needs more screen real estate, our multi-monitor hub is the perfect solution. Order yours today and experience the power of triple port multi-displays like never before!

Features

- 2 DisplayPort port
- 1 HDMI port
- DisplayPort male connector
- Supports Extended and Duplicate screen modes
- Supports 8K uncompressed video (7680x4320 @ 30Hz)
- Supports 4K ultra-HD video (3840x2160 @ 120Hz)
- Supports Ultra-wide displays
- Lightweight and portable design

Application

- Home theatre
- Office
- Business Presentations
- Multi-screen display

Benefits

- **Enhanced productivity:** With the ability to connect up to three HDMI monitors, you can expand your desktop and have multiple applications running simultaneously, boosting your productivity and efficiency.
- **Convenience and portability:** The compact, lightweight design of the hub makes it easy to use and perfect for on-the-go use. It's also compatible with a wide range of devices, including laptops, desktops, and tablets.
- **Improved viewing experience:** The hub supports high-resolution displays, ensuring that you get a clear and crisp display. This makes it ideal for gaming, graphic design, and other applications that require high-quality visuals.
- **Easy to set up:** The hub is easy to set up and requires no additional software or drivers. Simply plug it in and you're ready to go.
- **Durability and reliability:** The 4XEM 3-Port DP to HDMI Multi-Monitor Hub is built to last, using only the highest quality materials and advanced technology. You can trust that your hub will provide you with the best performance and longevity.
