13 For the latest OS compatibility and to download drivers, visit support.brother.com. Printing or scanning via macOS requires the use of AirPrint. Mac drivers are not provided. For Windows Server: USB connection supports printing and scanning, network connections support printing only.
14 Requires a connection to a wireless network.
15 Maximum capacity based on using 20 lb. paper.
16 Half speed and straight paper output with more than 28 lb. paper.
17 May require free download. Compatibility may vary by device and operating system.
18 Maximum number of printed pages per month can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

19 The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond this range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
20 Approximate toner cartridge yield in accordance with ISO/IEC 19798 (letter/A4).
21 Drum yield is approximately 50,000 pages based on 3 pages per job and 30,000 pages based on 1 page per job (letter/A4 simplex pages). The number of pages may be affected due to a variety of factors including but not limited to media type and media size.
22 Approximately 50,000 pages based on 1 page per job and 130,000 pages based on 3 pages per job (letter/A4 simplex pages). The number of pages may be affected due to a variety of factors including but not limited to media type and media size.
23 Approximate yield based on A4 or Letter size single-sided pages.
24 Requires additional purchase.
