

1 ft. Power Adapter Cord - NEMA-L5-20R to NEMA-5-20P

Product ID: PAC520PLR1

This 1 ft. Power Adapter Cord features NEMA-L5-20R to NEMA-5-20P connectors, creating a high-power 20A connection for your Power Distribution Units.

Reliable Connection

Featuring a twist locking NEMA-L5-20 receptacle and a NEMA-5-20P plug, this external 12 inch power cable ensures your equipment is securely connected to avoid accidental power loss or downtime. Built with a 12 AWG wire, the heavy-duty adapter provides a high-power connection to support your server room equipment or large server applications.

Organize Your Power Cables

This one-foot extension cord provides additional length for connecting your powered devices, allowing for cleaner cable management.

Durable Design

Constructed with high quality materials, the NEMA power cable has fully molded strain relief connectors providing a dependable connection.

PAC520PLR1 is backed by a StarTech.com lifetime warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Connect large servers to PDUs, even in high-temperature environments

Features

- External power cable provides a reliable and safe connection to your Power Distribution Units
- 1-foot power extension cord provides extra length for clean cable management
- Features fully molded strain relief connectors for lifetime deployment
- Built with a 12 AWG wire suitable for high power connections
