

Pro Fit® Washable USB Keyboard

Black – Part Number: K64407US | UPC Code: 0 85896 64407 1

White – Part Number: K64406US | UPC Code: 0 85896 64406 4

Keep it clean.

You wash your hands to protect yourself from germs. What about your keyboard? The Kensington Pro Fit™ USB Washable Keyboard can be run under your tap and washed to remove germs and contamination. Plus the built-in antimicrobial material provides continuous microbe resistance. Kensington Washable USB Keyboard with Antimicrobial Protection is backed by the Kensington 5-Year Warranty and free technical support.

Features include:

- Rugged waterproof and washable design resists spills and makes cleaning easy
- Can safely stand up to immersion or frequent use of spray cleaners*
- Wired, reliable USB connectivity without the need for batteries
- Built to last with a 3-year limited warranty
- Full-size 104-key layout
- Compatible with Windows 10, 8.1, 8, 7 and macOS X 10.6 and later
- Do not immerse the USB plug

*USB connector cannot get wet, do not immerse the USB plug

The Professionals' Choice™

Pro Fit® Washable USB Keyboard

Black – Part Number: K64407US | UPC Code: 0 85896 64407 1

White – Part Number: K64406US | UPC Code: 0 85896 64406 4

Waterproof Keyboard Design

A thin membrane protects the internal components and allows you to fully immerse your keyboard in water to clean it from food, soda, coffee or any other unwanted substances (Note: USB connector cannot get wet)

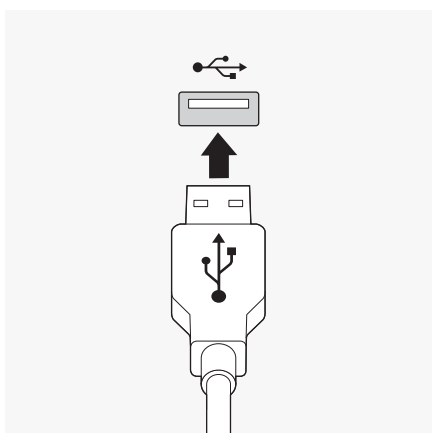

Antimicrobial ABS

Reduces bacteria that can cause stains and odors on the product

Full-Size Keyboard

With 6 rows of keys including a numeric keypad, the layout is ideal for the touch typist looking for comfort and responsiveness

Wired USB Connection

Provides direct and reliable connection for continuous performance and eliminates the need for batteries

3-Year Limited Warranty

Built to last, this could be the last keyboard you ever have to buy and we'll replace or fix it if something goes wrong in the first 36 months
