

# Lenovo Legion 5i (15", 11)

## Explore Your Many Sides

Explore your many sides with the Legion 5i, your all-in-one laptop built to game, create, stream, and crush every project without missing a beat. Lighter, thinner, and built for life in motion, it moves easily with you from one world to the next. Powered by Intel® Core™ Ultra processors, GeForce RTX™ 50 Series Laptop graphics and Lenovo AI Engine+, it delivers AI-tuned power and high-FPS responsiveness whether you're jumping into a late-night gaming session, streaming your gameplay, building presentations, or editing your next big project. The vivid Lenovo PureSight OLED display brings every detail to life, while Legion Coldfront: Hyper cooling keeps things running quietly and efficiently behind the scenes even when the action heats up. Plus, with its swappable rear cover, you can make it unmistakably yours - because your tech should express every side of you. Available in sleek Eclipse Black.

### WHY YOU SHOULD BUY THE LENOVO LEGION 5i (15", 11)

#### True-to-Life Colors. Lenovo PureSight OLED Gaming Display

Enjoy high-fidelity gaming, precise color accuracy, and extended battery life with Lenovo PureSight OLED displays. Fast response times, flexible refresh rates, and AI-driven adjustments keep your visuals sharp and smooth. Anti-Burn-In Technology ensures long-lasting performance.

#### Experience Intelligent Design With Lenovo AI Engine+

Lenovo AI Engine+, powered by Lenovo AI Core (LA1 + LA3), uses intelligent scenario detection in Balance and Performance modes while you game, stream, and work, adjusting system settings in real time. Whether you're diving into a gaming session or finishing a presentation, it keeps your system running fast, cool, and responsive. Easily manage it all in Legion Space and stay in your flow across every side of your day.

#### Experience Whisper- Quiet Gaming with Legion Coldfront: Hyper

A cooling solution featuring precision-engineered Falcon Fans, massive 3D copper heat pipes and a hyperchamber that optimizes airflow within the laptop to bring cold air over core components. With Legion Coldfront: Hyper, you can game and work without having to worry about noise or temperatures.

#### Legion Space - Your Gaming HQ

Legion Space is your all-in-one gaming hub, pre-loaded on your gaming devices, for smarter play, powered by AI. Manage device settings, connect your accessories and buy or launch games, all in one place. Its AI-powered Gaming Zone features personalized tools like Game Clip Master and Game Companion to fuel all your passions, whether you're a gamer or gaming content creator.

## AVAILABLE SERVICES (purchased separately)

**Legion Ultimate Support<sup>2</sup>**  
Excel at any level with top-tier power players in your corner. Our dedicated experts from Legion Ultimate Support equip you with fast remote solutions as well as hands-on repairs. Gaming late into the night? They'll be up to help you via chat, email, or call. Alternatively, you can send your device to us hassle-free and at no extra cost.

**Lenovo Smart Performance**  
Nobody can tune your PC better than the people who made it. Get the most from your device with Lenovo Smart Performance that automatically scans and resolves performance and security issues in minutes, helping ensure your PC stays in top-notch condition.

**Lenovo Accidental Damage Protection**  
We all know the drill: spill wine, spilt milk or an accidental fall or crash situation - the unexpected is bound to happen, even to exceptionally engineered PCs. With Lenovo's Accidental Damage Protection enjoy complete peace-of-mind knowing that your PC is fully protected against non-warranty damages.

**Lenovo Sealed Battery Warranty**  
Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

**Lenovo CO<sub>2</sub> Offset Service**  
Lenovo offers a simple and transparent way to help offset the estimated carbon emissions associated with your device. Lenovo's CO<sub>2</sub> Offset Service estimates the realistic carbon emissions linked to a device across its average lifecycle -- from manufacture to shipping, typical usage, and end-of-life -- and offsets such emissions by purchasing credits to support climate action projects verified by independent third-party organizations such as United Nations, CDH, Gold Standard®, and Climate Action Reserve.  
Now give back to the environment in a tangible way!

## McAfee® LiveSafe™

Register McAfee® to enjoy these benefits in your FREE 30-day trial.

- Award-winning Antivirus
- Safe Web Browsing
- Password Manager
- Multi-device Compatibility

<sup>1</sup>Available user storage and internal memory is less due to operating system, software and other functions utilizing part of this capacity; may change with software updates.  
<sup>2</sup>Legion Ultimate Support, which utilizes gamer-centric technicians, is currently only available in the United States, Canada, Japan, India, Taiwan, Hong Kong, Singapore, Philippines, Malaysia, Thailand, Vietnam and Korea. Premium Care for Gaming and advanced technicians will be available for the rest of the world. Products and offers are subject to availability. Lenovo reserves the right to alter product offerings and specifications, at any time, without notice. Some markets may not have 24/7 support capability and will follow the best available SLAs.
