

HP 2309m 23-inch widescreen Full HD LCD Monitor

23"

PREMIUM SERIES

Pamper your vision with a clearer and more vibrant view. Enjoy all your computing tasks, as well as music, photos and amazingly sharp Full HD movie content* on the large 23" display with integrated speakers. Infused with the latest HP display technologies and design ergonomics, you can now enjoy a broader view of the digital world from the comfort of your home or office.

See more, feel more.

More view for entertainment and work. Offering you the latest panel size, the 16:9 widescreen lets you view current movie content* in Full HD glory and provides a more comfortable display area for surfing the net, playing games, and working material.

Experience stunning clarity.

Enjoy Full High Definition* with the stunning image clarity of 1920 x 1080p maximum resolution and HP BrightView technology for an awesome viewing experience.

Optimised for you.

Filled with features geared at maximising your viewing experience, this HP monitor offers HP QuickView for easy optimisation of movies, photos, or games directly from the monitor, as well as the capability to swivel and tilt for that perfect viewing angle.

Get more connected.

Offering the flexibility to display analog or digital content, as well as Full HD* content, the HDMI, HDCP, DVI-D and VGA connectors ensure that you can get the most out of a range of computers and devices.

* High definition (HD) content is required to view HD images. Most current DVD's do not provide HD images. This monitor is capable of 1080p resolution.

THE TECHNOLOGIES THAT MAKE THE DIFFERENCE

Leveraging on the latest in LCD technology and design ergonomics, HP monitors are engineered to provide a stellar viewing experience for all your needs.

HP BrightView

Glare and reflection-free viewing without any loss of contrast.

Without HP Overdrive

With HP Overdrive

HP Overdrive

Reduce blur while enjoying sports, action movies or online games with a 3 ms Gray-to-Gray response time.

Normal

Dynamic colours

Dynamic colours

Enjoy deeper blacks, brighter whites and subtle colour variations with a 3000:1 dynamic contrast ratio.

Keyboard parking slot

When not in use, simply slot your keyboard under the display for a clean and uncluttered desktop.

tilt adjustment

Enhanced ergonomics

The swivel and tilt screen readily lets you adjust the monitor for a comfortable viewing position, and the power button located at the bottom of the screen provides convenient access.

Energy Star®

Reduce cost and lessen your impact on the environment with an energy efficient monitor that doesn't compromise on viewing quality.
