Neomounts WL30-724BL1 Wall mount for Sonos Ray - easy installation - incl. bubble level - extra slim (14mm) - anti-skid pads - black

The Neomounts WL30-724BL1 wall mount, engineered for the Sonos Ray soundbar, helps you to create a seamless home entertainment setup and a slick interior design. Featuring an extra slim profile of just 14 mm, this mount positions your soundbar cleanly against the wall for a sophisticated, floating look. Its curved design matches the contours of your soundbar, while the integrated anti-skid pads ensure your equipment stays securely and firmly in place.

The WL30-724BL1 is easy to install and comes with a small bubble level for perfect alignment. Available in versatile black and white finishes to match your hardware and interior preferences, this wall mount provides a secure mounting solution that lets your Sonos Ray perform at its absolute best.
