Lexmark T650n Lexmark T652n Lexmark T654n

Power and versatility for serious business printing!

LEXMARK™

Print Less. Save More.

Print less? This may seem like a surprising message for a company dedicated solely to printing. But when you consider that businesses spend, on average, up to 6% of their revenue on printing and active print management can cut office print costs by up to 30%[1], it makes a lot of sense. Lexmark products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

[1] Source: InfoTrends/CapVentures, Network Document Solutions Forecast 2007-2012, Network Document Solutions Consulting Service, August 2008

Robust, ultra-fast and incredibly versatile, the Lexmark T650n Series fits every type of need. Whether you're looking for a serious performer for high-volume printing or an effective solution for printing on a wide range of media, these powerful monochrome laser printers deliver the ultimate combination of quality, low ownership costs and outstanding reliability.

Quality and productivity unite

Start accruing the benefits of a printer with the real power to perform. With the new redesigned Lexmark T650n Series, you can now own an office machine that pushes quality and performance to truly impressive levels.

- Up to 53 ppm, first page out as fast as 7.5 seconds
- Impressive print quality, up to 1200 x 1200 dpi
- Up to 600MHz processing power and up to 256MB of RAM standard
- Automatically adjusts toner darkness for consistent results from first page to last

Unrivalled versatility

Every workgroup is different. So why not match your printer to suit the way you work? Benefit from diverse media support plus a range of flexible choices, including leading-edge paper handling.

- Opt for extra drawers to expand your input capacity up to 4,300 sheets
- Ultra-reliable paper feeding supports diverse media, including card stock and labels
- Stapler option with 50-sheet capacity; offset job stacking
- Install up to two 5-bin mailboxes to separate users output

Intelligent functionality

The Lexmark T650n Series offers you a wide range of intelligent features that help you maximise uptime, save money and work more efficiently than ever before.

- Should the media required for a job not be available, Job Waiting automatically places the job on hold to keep the print queue flowing (hard-drive option required)
- Performance enhancement on the Lexmark T652n and Lexmark T654n speeds up output of short print jobs
- Direct Web printing lets you print Web-based documents with ease
- Models with Lexmark's Embedded Solutions Framework can be customized to meet specific workflow needs

Prints black, thinks green

Printing responsibly means everyone wins – your business, your budget and the environment! Lexmark T650n Series printers are designed with sustainability in mind. They're incredibly quiet and equipped with a range of eco-conscious features to help you print greener at every level.

- Duplex printing models reduce paper consumption
- Eco-Mode reduces power consumption
- As quiet as 55 dBA when printing; reduce sound even more with Quiet Mode
- Lexmark High Yield (25,000 pages) and Extra High Yield (36,000 pages) Print Cartridges conserve resources

Lexmark T650 Series

Explore the features that keep you moving

Special delivery
Mailbox options let you assign users their own output bins

MFP Option
Transform your printer into a fully featured MFP geared for demanding scanning applications.

4-line graphical display
Intuitive visuals for exceptionally simple user operation

Secure PIN release
Use the alphanumeric pad to release confidential jobs

Low cost of ownership
Reduce running costs with high-capacity cartridges, up to 36,000* pages

Expandable input
Boost your paper input capacity up to 4,300 sheets

Rock-solid reliability!

Introducing the new Lexmark T650n Series, a robust range of workgroup printers that are built to last – and keep up with your heaviest print volumes.

Backed by an award-winning sixth-generation print engine and Lexmark's proven track record in product innovation, these rugged workhorses ensure maximum uptime while reliably delivering fast, high-quality pages year after year.

Like all Lexmark business-class printers, you'll benefit from Lexmark's solid service guarantee of 1-Year Onsite Service, which provides you with next-business-day response. Now you can have a truly reliable solution that meets your highest expectations!

Lexmark T650 Series

The Productivity Checklist
If you've got all these, then you've got a Lexmark!

Performance optimised

Which is more advantageous – more pages per minute or a quicker time-to-first-page? That depends on your print job. Lexmark T650n printers can identify the size and complexity of your job and automatically calculate the optimal speed – quicker time-to-first-page for short jobs and more pages per minute for longer jobs. So whatever you're printing, you're always sure to get the fastest result!

Intelligent Job Waiting

One person's setback should never mean a bottleneck for the whole workgroup! Say someone launches a print job that requires labels, but there are none loaded. Why lose precious uptime? Lexmark's Job Waiting feature will simply hold that job aside while everyone else goes on working without interruption (hard drive required).

Outstanding print quality

When you purchase a high-performance workgroup printer, you expect high-performance results and that includes flawless print quality. The Lexmark T650n Series combines true 1200 x 1200 dpi with automatic darkness adjustments and pixel-boosting technology, ensuring you high-quality, professional documents every time.

Cutting-edge security

From network security to user-access restrictions, Lexmark makes sure you're fully equipped with all the tools you need to help keep your valuable corporate data safe and sound. In addition to IPSec, SNMPv3 and 802.1x network security, the Lexmark T650n Series offers an alphanumeric pad for easy PIN authentication, plus encryption and disk wiping to secure the optional hard drive.

Simplified management

Take a load off your IT department. These printers are network-ready and very easy to set up. If you have multiple Lexmark devices installed, the Lexmark Universal Driver offers even easier deployment. And Lexmark MarkVision™ Professional software provides simplified remote management and automated tools to keep your workday flowing!

Get exactly the performance you need

Lexmark T650n

Ideal for small and mid-sized workgroups that want great performance, excellent paper handling and an all-round robust design.

- Up to 43 ppm print speeds
- 500MHz processor
- 128MB standard memory
- Recommended monthly volume: 3,000 to 20,000 pages
- 350-sheet standard input, 4,000 maximum
- 350-sheet standard output, 2,750 maximum
- Ships with a 7,000-page Starter Return Program Print Cartridge
- Lexmark High Yield Print Cartridge (25,000 pages) available

Available models: Lexmark T650n, Lexmark T650dn, Lexmark T650dtn

Three configurations available for each T650 Series model

n = network ready
dn = network ready plus duplex printing
dtn = network ready with duplex printing plus extra input drawer

Lexmark T652n

Offers high-endurance printing for busier workgroups, with faster speeds, a bigger standard input drawer and models with built-in duplex.

- Up to 48 ppm print speeds
- Recommended monthly volume: 3,000 to 30,000 pages
- 650-sheet standard input, 4,300 maximum
- Ships with a 10,000-page Starter Return Program Print Cartridge
- Built-in duplex models available for two-sided printing
- Lexmark High Yield Print Cartridge (25,000 pages) available

Available models: Lexmark T652n, Lexmark T652dn, Lexmark T652dtn

Lexmark T654n

The ultimate departmental workhorse, offering maximum power, greater media flexibility, higher-yield replacement toner, and a solutions-ready framework to expand your workflow possibilities!

- Up to 53 ppm print speeds
- 600MHz processor
- 256MB standard memory
- Recommended monthly volume: 5,000 to 50,000 pages
- 550-sheet standard output, 2,950 maximum
- Ships with a 10,000-page Starter Return Program Print Cartridge
- Lexmark Extra High Yield Print Cartridge (36,000 pages) available
- Lexmark Embedded Solutions Framework

Available models: Lexmark T654n, Lexmark T654dn, Lexmark T654dtn

Solutions ready!

Enabled with Lexmark's Embedded Solutions Framework, the Lexmark T654n family is the ideal platform for tapping into the benefits of Lexmark's industry-leading enterprise workflow solutions. They can help you print less, lower costs, reduce waste and significantly streamline your processes. To learn more about Lexmark solutions, contact your Lexmark representative today.

Lexmark 6500e MFP Option

Transform the Lexmark T650, T652 and T654 Family printers into fully featured multifunction devices geared for demanding scanning applications. A new level of flexibility to paper-intensive workgroups or departments with advanced scanning requirements, including A3 media

Maximum Monthly Duty Cycle
«Maximum Monthly Duty Cycle» is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.

Recommended Monthly Page Volume
«Recommended Monthly Page Volume» is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

16M1207	T650, T652, T654 Caster Base
3052765	Swivel Cabinet
30G0775	T650, T652, T654 Kiosk Presenter

Part #	MFP Options
16J0116	Lexmark 6500e MFP Option, T650, T652, T654

Part #	Memory Options
1025041	256MB DDR2-DRAM
1025042	512MB DDR2-DRAM
1025043	1024MB DDR2-DRAM
14F0245	256MB Flash Card
14F0102	Hard Disk (80+GB)

Part #	Application Solutions
30G0829	Lexmark PrintCryption Card
30G0835	T654 Card for IPDS and SCS/TNe
30G0834	T654 Forms and Bar Code Card
30G0955	T654 RFID UHF Option
30G2031	T654 Card for PRESCRIBE Emulation

Part #	Connectivity
1021294	USB (2 Meter) Cable
14F0000	Parallel 1284-B Interface Card
1021231	Parallel (10') Cable
14F0100	RS-232C Serial Interface Card
14F0037	MarkNet N8120 Gigabit Ethernet Print Server
14F0042	MarkNet N8130 Fiber Ethernet 100BaseFX, 10BaseFL Print Server
14F0045	MarkNet N8150 802.11b/g/n Wireless Print Server
14T0220	MarkNet N7020e Gigabit Ethernet Print Server

Part #	Extended Warranties
2350372P	T654 2-Years Total (1+1) Onsite Service Guarantee
2350373P	T654 3-Years Total (1+2) Onsite Service Guarantee
2350374P	T654 4-Years Total (1+3) Onsite Service Guarantee
2350376P	T654 1-Year Renewal Onsite Service Guarantee

Part #	User Replaceable Parts
40X4765	T65x, X654e, X656e, X658e Fuser Maintenance Kit 220-240V
40X5852	Dual Charge Roll Assembly
40X1886	Transfer Roll Assembly
40X2665	Oil Fuser Wiper
40X2666	Wax Fuser Wiper
40X4308	Pick Roll Assembly

Part #	NC
2350396	T654 Installation

Models available

Lexmark T654n: Network ready, Part Number: 0030G0325

Lexmark T654dn: Network ready plus duplex, Part Number: 0030G0335

Lexmark T654dtn: Network ready plus duplex with extra input drawer, Part Number: 0030G0345

Environmental commitment

Lexmark believes that the environment is a critical component of responsible business management and clearly demonstrates it by implementing the "4R" strategy: Reduce, Recover, Reuse and Recycle. To learn more about these programs please visit www.lexmark.com/recycle.

Cost saving and environmental features

- Energy Star and Blue Angel (RAL-UZ-122) compliant
- Duplex printing, Print and Hold, multi-up and support of recycled paper help reduce paper consumption
- Eco-Mode reduces power consumption and Quiet Mode reduces noise emission
- High Yield Cartridges and Lexmark Cartridge Collection Programme help reduce landfill
