

Logitech Pebble Keys 2 K380s multi-device Bluetooth® keyboard

Defy Boring with Pebble Keys 2 K380s minimalist keyboard made with recycled plastic[1]. Its minimalist, sleek design makes it as iconic as you and super portable.

Easily hop across 3 devices with the Easy-Switch buttons and work faster with Fn shortcut keys like screen capture and search. Personalize the 10 fn shortcut keys with Logi Options+ App[2].

FEATURES

- **Defy Boring:** With a slim design, multiple colors and smarter tech, this Bluetooth keyboard from the Pebble 2 Collection lets you express your vibe and make your statement
- **Never Made Ordinary, Made to go places:** the Pebble Keys 2 K380s keyboard is slim, compact, portable and made with recycled plastic (1)
- **Easily Hop Across 3 Devices:** Use Bluetooth to connect up to 3 wireless devices across OSs (Windows, macOS, iPadOS, ChromeOS), and switch between them with one click of the Easy-Switch buttons
- **Save Time:** Get instant access to search, screen capture, the emoji menu and more with Fn shortcut keys; personalize the 10 Fn keys with Logi Options+ app (2) so you can do things your way.
- **Feel- Good Typing at Your Fingertips:** The Pebble Keys 2 K380s Quiet Keyboard comes with scooped round keys and a familiar, laptop-like typing experience for effortless, comfy typing.
- **Go for Longer:** This wireless keyboard gives you hours of use with a 3-year battery (3), auto- sleep power- saving mode, and 50% more battery life (4), for worry-free usage; batteries included
- **A Design Choice You'll Feel Good About:** Plastic parts in the Pebble Keys 2 K380s Slim Keyboard include minimum 49% certified post-consumer recycled plastic (1)
- **Responsibly-sourced packaging:** The packaging of Pebble Keys 2 K380s (including product wrap) comes from FSC-certified forests and other controlled sources; certified carbon neutral.

1. Pebble Keys 2 K380s plastic content: minimum 49% recycled plastic, excluding plastic in printed wiring assembly (PWA) and packaging.
2. Logi Options+ App is available on Windows and macOS at logi.com/optionsplus
3. Battery life may vary based on user and computing conditions.
4. 50% more battery life compared to K380.
5. Wireless range may vary due to environmental and computing conditions.

SUSTAINABILITY

- **DESIGNING A POSITIVE FUTURE :** We design technology with your future in mind, because big change starts with people.
- **MADE WITH RECYCLED PLASTIC:** The plastic parts in Pebble Keys 2 K380s include certified post consumer recycled plastic — 64% for Tonal Graphite, 49% for Tonal Rose, Tonal White, Tonal Sand, Tonal Blue — to give a second life to end-of-life plastic from old consumer electronics and help reduce our carbon footprint.
- **RESPONSIBLY-SOURCED PACKAGING:** The paper packaging of Pebble Keys 2 K380s (including product wrap) comes from FSC™-certified forests and other controlled sources. By choosing this product, you are supporting responsible management of the world's forests.
- **CERTIFIED CARBON NEUTRAL:** Pebble Keys 2 K380s is certified carbon neutral. This means the carbon impact of the product and packaging has been reduced to zero due to Logitech's investment in carbon-offsetting and removal projects.

Plastic parts in Pebble Keys 2 K380s include certified post consumer recycled plastic; Tonal Graphite plastics: 64% post-consumer recycled material*; Tonal white, rose, sand and blue plastics: 49% post-consumer recycled material*

*Excludes plastic in printed wiring assembly (PWA) and packaging.

Responsibly-sourced packaging: The paper packaging (including product wrap) comes from FSC™-certified forests and other controlled sources.

Certified carbon neutral.
