Highlights

Power

Quick and perfect chopping thanks to the 450W power motor. Create any dish in no time.

PowerChop technology

Chop evenly soft and hard ingredients, thanks to the PowerChop technology which combines optimally blades, cutting angle and inner bowl.

Capacity

Do you like guacamole or are you a big fan of pesto? You can prepare anything in the 1L bowl capacity.

2 speeds

You can chop your ingredients with ease, thanks to the double speed operation. For chunky results just use the first speed for a few seconds while you can enjoy smooth results with the second speed.

Rubber base

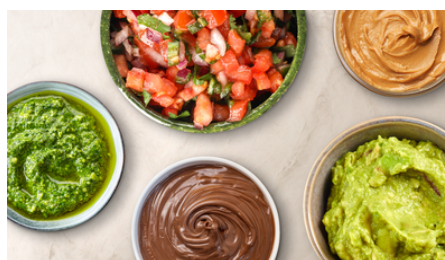

Chop with one hand, thanks to the stability the rubber base offers to our chopper.

Dishwasher safe

Don't worry about cleaning. Both bowl and blades are dishwasher safe.

Possibilities

From onions to dips, this chopper handles all kinds of ingredients with ease.

Blades

Our 4 blades are specially designed to slash through anything, to make your chopping routine as fast as possible.

Nut butter

You can prepare your own nut butter at home with ease and explore new and healthier flavors. You can even make your own chocolate spread for your kids.
