

Safe-IT Blank Wall Plate, Antibacterial, Ivory Matte, TAA

MODEL NUMBER: N042AB-000-IVM

Clean, simple faceplate mounts to a wall to keep unused in-wall ports covered and protected.

Features

High-Impact Wall Plate Designed to Blend In Seamlessly with Your Room

This blank wall plate provides temporary or permanent cover for any unused in-wall gang ports or outlets. It protects the ports against debris, damage, tampering or unauthorized connections. This durable faceplate with an ivory matte finish blends elegantly into any home or office décor for a sleek, professional installation. Mounting screws are included. The ABS plastic construction meets UL 94V-0 flame-retardant standards for protection against fire and high heat.

Provides Extra Protection Against Certain Bacteria

The wall plate is constructed using an antibacterial material that is effective in inhibiting *Escherichia coli* (E. coli) and *Staphylococcus aureus* (staph) and tested to ISO 22196:2011 standards. This added protection makes this cover plate an ideal solution for medical facilities, schools, businesses, restaurants/kitchens and anywhere else that needs extra protection against bacteria.

TAA-Compliant for GSA Schedule Purchases

The N042AB-000-IVM is compliant with the Federal Trade Agreements Act (TAA), which makes it eligible for GSA (General Services Administration) Schedule and other federal procurement contracts.

Highlights
