

# ERGO M575

Wireless Trackball

## LESS MOVEMENT, MORE COMFORT

Meet ERGO M575—a wireless trackball with incredibly easy thumb control. This is the newest addition to the Logitech Ergo series that promotes increased comfort, lower muscle strain, and improved, more natural posture.

Forget about sliding around a mouse or moving your arm to move the cursor. The ergonomic sculpted shape of ERGO M575 minimizes movement and maximizes comfort while keeping your hand and arm relaxed.

With two ways to connect—via *Bluetooth*<sup>®</sup> Low Energy or the USB receiver—the trackball provides you a powerful, stable signal with a 33 ft (10 m) range.<sup>1</sup>

No need to move your trackball, so it's perfect for tight workspaces and busy desks. A single AA battery lasts up to 24 months with the included Unifying USB receiver and up to 20 months with *Bluetooth*<sup>®</sup> Low Energy.<sup>2</sup>
