HP Designjet 110plus and 110plus nr Multi-format Printer

Color printer that handles a wide range of sizes for CAD, business and education professionals.

Product pointers

- Expand your in-house color printing capabilities to include a wide range of media sizes and types with this versatile multi-format color printer—equipped with C-size tray, an automatic roll feeder and three media paths that support media up to 24 inches.
- Get high-quality results and reliable performance. HP Color Layering technology and 1200 dpi resolution deliver detailed image quality and vibrant color, while black pigmented HP ink ensures top quality schematics and lasting results for archiving CAD drawings.
- Own an affordable color printer that allows you to print standard and oversize printing with no outsourcing. The low purchase price and low cost of operation make owning the printer efficient and cost-effective.
